Education today, more than ever before, must see clearly the dual objectives! Education for living and educating for making a living.

- James Mason Wood

Dear Parents,

Greetings from Presidency!

I write to you today not as a Principal of this beautiful School but as a member of a family that we are all connected as .Too many things have happened in the past few months and what prevails is uncertainty, fear, desperation that just fails to leave us alone. I pen a few of my candid thoughts as a fellow human who understands al travails that each one of us is going through. Am I aptly putting it across, will of course, depends on if you are traversing the same trail that I seem to be taking forth. This one's dedicated to all of us!

And the Mirror speaks!

So finally, reality seems to have sunk in..the reality of uncertainty. The dream for a big, long break that each one wished for has suddenly become a nightmare. We now miss our School, our work place or rather our home away from home. Dear Parents, Family Time might not be as exciting as it sounded initially, maybe there are more anger issues and temper tantrums to handle collectively from all at home, where as in the good old days we dealt with them in installments! Before we left to work or came back from work..now it's a whole day ordeal! And the sink just seems to be piling up, hour after hour and the floors getting dirtier forever..oh my aching back.. Now we truly miss our maids! Don't forget to glorify them ladies! Students you may not be at School ,but online classes surely must be keeping you occupied! But the fun seems to be missing ,right guys! The sneaked in snack breaks, the visit to washrooms, the PE classes, the much awaited substitute teacher and the works .. sad ..School was such a beautiful place! Teachers , but of course, now you are cooking almost the whole day catering to insatiable hunger and all seem to be hungry , always! How????

Preparing for online classes and working from the comfort of your homes , a dream come true! But was it this what you were prepared for.... You are now toggling between Mom, Ma'am, wife , and more such roles, seated in the same space and taking all head-on! Superhuman indeed!

The sun rises and the sun sets, adding life to our span of life when it rises and leaves behind a hope of starting life anew as it sets, hopefully to rise again for us. With the current scenario and the pandemic, the grim reality of the above words has literally come true. With each of us hoping for this disaster to disappear as quickly as it had appeared, there is an ardent hope that , tomorrow will come and when it comes..... Too many things have happened, in the pages that have turned in the chapter of our lives. Spending time with family, as a close knit one was always a dream and it has happened but too much familiarity breeds contempt... well it does. With lot of personal space being invaded, office coming home, schools and colleges convened within the four walls of your homes...tempers flare! Patience snaps and there are long drawn silences at the dining .Well , amidst the chaos I have a vision for myself when tomorrow comes...I have vowed to myself to drive it into me that God still is in control and He will never let man play God. Work and home...the twain shall not meet! Your bosses are humans too and they have worries and fears that we do not see! Pray for them every day, they are your own, they are family. Be nice to people at home because when it is time to hang up your gloves and ballet shoes, it's they who will pull the blanket as you sleep with tears running into your pillow!

All in all, I sum up.. we are in the most chaotic phase right now and none of us seem to be thinking straight! The only solution for all of these and more begins with P: Positivity, Patience and Prayers! We have overcome miseries as individuals but when we showcase all the three P s as a Big World Community with common goals, this too shall pass! So my dear folks let's stand united and fight this off... Together we can and we will! The end of the dark tunnel is nearing...See you all there!

Warm regards
J. Ashalata Micah

Whats on at the Kindergarten!

The kindergarten section of presidency school. R.T. Nagar witnessed a gamut of events and activities which provided the tiny tots with good learning experiences. Our tiny tots of pre. K.G had an activity for almost every topic learnt they got themselves busy with various activities like making tiger masks, colourful rakes beautiful rakhi hot air balloons and sowing seeds that made them super delighted, all excited to nature them and watch them grow.

The students of K1 focused on making interesting animal scrapbooks amazing birds beaks using spoons, straws and tweezers gigantic castles and colourful baskets. The older ones of K2 climbed the ladder by getting themselves engaged in making boats, the sun tri- coloured flags aeroplanes, ladies finger and palm printing.

The kindergarten students had the opportunity to participate in many important and exciting events like colours and shapes day, public speaking poetry slam, reading marathon math and spell bee competition, social act of kindness, winter fest and Dr. Seuss birthday

Theme presentation

The presentation was conducted in school by pre-kg, k1 and k2 children. Encouraged by the teachers, our tots displayed beautiful models and charts based on various topics they learnt in class it was gratifying to watch the tiny tots singing rhymes, narrating and enacting stories. It was indeed a moment of pride for all parents and teachers to see these confident and blossoming learners who were adapt in their spills

Children's Day

The kindergarten children had a very special treat in store for them, this children's day. The kindergarten teachers were at their humorous best and took over the stage by putting up a very peppy show for their dear children. Our tots were thrilled by the grand show and their happiness renew no bounds as they sang and danced together.

Celebrations Galore

The tiny tots share their joys the best while celebrating festivals. Festivals like Christmas. Makar Sankranti,. Kannada Rajjotsava were celebrated to bring about joy and awareness of social integration.

Delivering Smiles with dolls

As part of ISA project festivals of dolls was conducted for kindergarten students on November 30th 2019 this festival focused on counters like U.S.A. Russia U.A.E As part of the festivity our tots displayed their own costumes through a ramp walk carrying dolls with them: An amazing doll exhibition was held for the parents beautiful dolls from across the world and scrap books prepared by our students were displayed: The activity ended on an enjoying note as the students learnt about making dolls of different countries the costumes and stories behind the dolls:

Say it loud and proud. Our K1 and K2 tots participated with zeal in golaka shades and schools India drawing and colouring competition it was a proud moment medals and certificates were awarded to our tots who excelled in showcasing their creative talent

Baby's Day out !!!!

Summing up the various themes that the children were taught though out the year the teachers felt a thematic field trip was the heed of the hours and hence the pre kg tots visited the aquarium the k1 went to bal bhavan and k2 were taken to visvesvaraya Museum this field trip enhanced their awareness of the outside world and kept the children enthused and happy.

All good things must come to an end and with that we can confidently say that our little ones now stand prepared to take yet another bold step and go on to face the challenges that lie ahead.

When Stars Shine

Presidency School, RT Nagar hosted its 2 days, six shows extravaganza its Annual Day Programme. With 1900 odd students participating in these shows, it was indeed a show to be etched deeply in all minds. Three themes viz Bhoomi, Jhalak and Maa were showcased on stage amidst an audience that was craving for more.

The Kindergarten tots presented Bhoomi and glorified mother nature and brought to fore the damage that we humans had caused to the elements of nature. The epilogue had the pre nursery tots marching on stage dressed as the armed forces of all the three wings- army , navy and air force to the tune of kadam kadam badhaye jaa. The resounding applause that they were given is worth the mention.

The primary school put on display the beauty of India Jhalak and the heroic women who brought glory to India. PT Usha, Poghat sisters, Arunima Sinha were applauded for their spirits. The armed forces paid tribute to the Motherland and the audience stood in silence as the National Anthem was played.

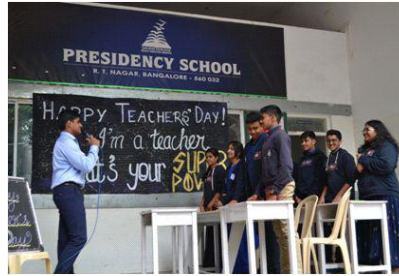

When you look into your mother's eyes, you know that is the purest love you can find on this earth. Maa , mother, amma- whatever you call her as- the essence is soul stirring and that is what the show titled Maa had to offer. The love and wrath of a mother, mother nature, mother land , evolution as the mother , Punyakoti- the list was endless !

The Chief Guests for the shows were the alumni of Presidency RT Nagar namely Ms Neethu Subramanya Kannada Kogile, Mr Rohit Akash International Swimmer and Dhanya Ramkumar Kollywood debutante apart from Director Principal of Bangalore south Ms J Bhuvaneshwari. Members of the Management, Principals of Presidency sister concerns also graced the occasion.

Teachers honoured

Teachers Day was celebrated on 5th September, 2019 with fun and frolic without at the same time compromising on the decorum of the day. The students put up a beautiful show at the assembly with songs, speeches, dances and a classroom skit by class 10 entertaining the teachers for 45 minutes. Thereafter 10th graders took over the day conducting classes giving a respite to teachers from their daily routine, maintaining discipline, solving problems, the Head Boy and the Head Girl acting principals for the rest of the day.

Post lunch it was 10 graders once more leading the way organizing games and competitions between the staff and the students keeping the teachers entertained. The weather gods favouring the day, the programme went off smoothly. Little one-liners for each teacher written on paper hung as bunting deserve special mention. It was a life time experience for 10 graders and a memorable one for teachers.

CHILDREN'S DAY CELEBRATION

Every child is a different kind of flower; together they make this world a beautiful garden. A day marking childhood - Children's Day was celebrated on 14th November, 2019 in the school assembly area.

The day is celebrated to pay tribute to the legendary freedom fighter and our first Prime Minister Pandit Jawaharlal Nehru popularly known as Chacha Nehru.

Generally students perform on various occasions, but on Children's day, Presidency School RT Nagar, teachers made it extra special and performed for the students to showcase their love and care.

The program started with the school prayer, oath and campus news by the teachers. A speech on the significance of the day, was followed by dances, medley of songs. The most attractive event for the junior school students were the two clowns who danced and did funny tricks to make the children laugh. The Fashion show (Best out of waste) gave the students a strong message to save the environment and Mother Earth.

The teachers also showcased a boisterous classroom with great deal of noise and fun.

Amidst all joy and excitement there was a throwball match between teachers and high school students. What a memorable day it was!

Deepavali fervor Sharing and caring

It is time to spread the smile of happiness and cheer on the auspicious occasion of Deepavali. The festival of lights came alive on 25th October when the whole school wore a festive look with diyas and lanterns adorning the corridors and the assembly area lit up in bright colours.

Children including those from the Kindergarten, NCC Cadets and members of Interact Club led the way in spreading the message of celebrating safe and pollution free Eco-friendly Diwali by handing out colourful diyas to parents. Our friendly neighborhood police stations, hospitals, tea stalls, traffic signals, banks and nearby schools were next on the list. A rally with placards conveying the message of "Harit Diwali, Swasth Diwali" was the main focus of the day. On our silent campaign we were lucky to meet the Inspector of R T Nagar, Mr.Mithun Shilpi, who shared his thoughts about celebrating Green Diwali. He stated that the young generation ought to be more pro-active in protecting our environment. It was a great pleasure to know that he had taken the initiative of planting and nurturing more than 500 saplings. Mr Mithun Shilpi has truly motivated our students to take up such initiatives in the best interest of protecting our planet.

A Mega special assembly was conducted to celebrate 'The Festival of Lights - Deepavali' with great zeal and fervor. Harit Diwali Swasth Diwali resounded in the campus and what more can we say than the Diwali Gifting idea that we shared with our dear Parents- Gifting their child a Steel Lunch Box and Steel Water Bottle- thereby doing our bit for a plastic free environment.

Kanakadasa Jayanthi

On the 525th Birth Anniversary of the great poet and saint Shri Kanaka Dasa we organised a very special assembly as a tribute to Kanakadasa ,one of the great social reformers of Karnataka. Kanaka Dasa was a great poet, philosopher, musician and composer from modern Karnataka. Invocation Dance, Speech, Song, Elocution, Group Dance - rendered by the students highlighted the significance of the day. As a prelude to Kanakadasa Jayanthi, this event set the ball rolling for the other programmes chalked out for this celebration.

Kannada Rajotsava

The 64th Kannada Rajotsava was celebrated on 7th November, 2019.

The programme commenced with the lighting of lamp by the Principal and the Coordinators. The enthusiastic students put forth a mesmerizing role play, enacting renowned personalities of Karnataka namely Kempegowda, Kuvempu, Sangolli Rayanna Akka Mahadevi, Purandaradasa and Kanakadasa etc.. The most captivating part of the show was the Yakshagana which now seems to be a dying art form. The speech in Kannada put forth the history of Karnataka and the language. Through this celebration we also conveyed the contemporary message to protect the city from garbage and pollution, most importantly to uphold the rich cultural heritage of Karnataka, more so the beautiful language of Kannada.

Valmiki Jayanthi

Valmiki Jayanthi was celebrated in our campus on 15th October 2019. Students of Grade IV conducted this special assembly in Hindi language. The programme started with a brief thought on Maharshi Valmiki.

A drama was presented by the students to showcase the importance of this day. The story began with the depiction of the life of dacoit Ratnakar and how his life changed after he met Saint Naradji. Narad advised him about good things in life and asked Ratnakar to chant 'Ram Ram' instead of 'Mara Mara'.

Children enacted this scene beautifully and enthusiastically. The audience learnt of the story and importance of celebrating Valmiki Jayanthi. The children and teachers applauded them for their wonderful performance.

Makar Sankranti

Sankranti is one of the names for the harvest festival celebrated all over India. The students participated enthusiastically and presented dance, song and speeches to highlight the customs and traditions that revolve around this festival. Students threw light on the fact that the festival celebrates the solar cycle and interestingly, it falls on the same Gregorian date every year except when it is leap year, as was this year.

The festival is celebrated with great fervour across the country and is (preceded by Lohri) where people attend melas (fairs), make merry, indulge in kite flying, bonfires and feasts. The assembly also focused on the SUN as a deity.

The sun signifies knowledge, spiritual light and wisdom. Makar Sankranti signifies that we should turn away from the darkness of delusion in which we live, and begin to joyously let the light within us shine brighter and brighter. The need to grow in purity, wisdom, and knowledge, even as the sun does from this day was also cited.

Parent connect programme

Parent connect programme is a wonderful way of getting connected to pmumarents directly. As a part of it a Parent connect programme was conducted for grade- 6 by Dr. Sweta Srivastava, parent of Aanvi Manish studying in grade 6A. She highlighted the milestones in career building of one's life and shared some very important lessons of life. Choices are like crossroads and matters a lot j -peer pressure, parents pressure, bullying, stress, competition etc. enlightening session and students will definitely try to implement it.

On **World Tsunami Awareness Day** held on the 5th of November, the students across grades participated in the drawing competition held on creating awareness on the effects of Tsunami. They presented poignant pictures of the effects of Tsunami.

'**Plastic Beku**' Campaign- RJ Pradeepa from Big FM visited the school to promote the 'Plastic Beku' campaign. As a part of the campaign, a bin was placed at the school premises to collect single use plastics to contribute for laying the road at the airport terminal.

Bake a Break-As Britannia celebrated 100 years of its existence, an awareness programme was conducted by their representatives on 8/11/19. This programme emphasized the importance of breakfast and healthy choice of grains through an activity and puzzle game. The students were very elated to receive the complimentary goody bag.

Water break bell - The water break bell was introduced from 11/11/19 at regular intervals of the day to instill the healthy habit of drinking water and staying hydrated. This bell was rung 3 times apart from the 2 regular breaks.

Day long Scouts and Guide Camp

23rd November 2019 was a red lettered day at PSRTN as it was genesis of Scouts and Guides Camp which will be held every year in Honor of our beloved PGS Director Ms. Nafeesa Ahmed. The ball was set rolling with prayer and flag hosting. The Principal Ms. Asha Micah addressed the Scouts and Guides followed by a speech by Mr. Chandrashekar who gave valuable information on Scouting and Guiding. It was a very proud moment for every scout and guide of PSRTN as each one of them was honored with a scarf and badge. Further the company had a learning session on "camping" and "first aid". The camp was loaded with fun activities like memory game and a caring and sharing picnic.

The fun embedded into learning made the camp a run away success!

Workshop by Toastmasters

On 30th of November, 2019 the Toastmasters Workshop was organized at Rotary House of learning. Ten students from our school, from grades 6 to 9 participated. They took part in various activities like on the spot debate, skit and so on. Students were divided into teams and one of our teams won the first place where as the other came second. Tanishq of grade 8 was adjudged the best speaker under the category of 'Gift of the Gab.' The workshop was enriching as our budding orators got a meaningful insight into public speaking and communications skills .

NCC - What can I do to clean my city

The Motto Of NCC is "Unity and Discipline ". When ever there is any social outreach programme in the school these students can be seen in the fore front of the activity. On 6th Of December NCC cadets organized an initiative called 'Clean City ' an initiative close to the hearts of most Bangaloreans. Today the lovely Garden City of days gone by , has become The Garbage city . The programme began with an invocation song sung by two cadets . Many cadets spoke about the clean city drive and ways and means of sprucing up our own city. Later Ms Sunita Chhibber the chief guest of the day spoke a few words on the topic and encouraged the cadets to take up the task in all seriousness. Cadets took out a rally in and around the area with banners and slogans and gave people the message of good health through clean surroundings. They finally interviewed passers by and took their opinion about clean city drive. The people agreed in one voice that cleaning up the city was the need of the hour.

The Christmas Show

Christmas was celebrated with due reverence and solemnity on 20th December, 2019. Three separate assemblies were held for high school, primary and kindergarten. The major event of the programme was the 'Nativity Play' well enacted in proper costume interspersed with carols, shepherds, angels and the three Magi all filing in at the appropriate time and place. The angel dance and the shepherd dance added vibrancy to the show. The choir chipped in with two lively songs. It is Christmas, it is Christmas and Feliz Navidad - Santa Clauses, three of them, an indispensable part of any Christmas show, added colour to the pageant by their surprise entry from the audience and doing a sprightly dance. Our senior English teacher, Mr. Thomas Varkey delivered the Christmas message highlighting the main theme of peace, joy and universal brotherhood. Students came in colour dress red, green and white which set a festive mood to the atmosphere. The feel of Christmas was all around, even the stage was well decorated with posters of Santa Claus, hanging stars and beautiful stary background. The Principal brought the show to a conclusion with her share of Christmas message.

Annual School Exhibition - Prerit

The Annual School Exhibition was held on Saturday, 21st December, 2019. This was the result of a concerted effort of many days by the entire school. The theme 'Designing for a better tomorrow' was prominently displayed at the main entrance.

A street play on 'Safety of Women' was well appreciated by the parents. Art and Craft section showcased the handiwork of budding artists. Kannada section focused on the glory of the past through models of monuments. The English section brought alive mythology and fantasy touching upon Mahabharat, Ramayana, Trojan war and the magical world of Harry Potter.

The Hindi department focused on the rivers of India showcasing some of the river valley projects. The History section projected its theme : "Our world, culture and society' through models of temples and monuments. The Geography section highlighted its theme : "Connect with nature" through charts and models. The Biology department was a propaganda for creating a green corridor all around. The computer students exhibited their skills in different programming languages. On display were different kinds of sensors, on ATM model and a game in Python using AI .The MUN Club gave a demonstration of UN functioning and working.

The Mathematics section focused on application of geometrical shapes and principles in nature and architecture. The Science room was replete with "Future Scientist" displaying models and demonstrating experiments. The motivation and appreciation that came from the visitors has propelled all to bring in an improvised version in the next season.

Republic Day

Presidency School celebrated the 71st Republic Day in the school premises. The event was celebrated with much fervour and patriotism. The Guest of Honour for the event were Dr. Nissar Ahmed, Chancellor Presidency University and Chairman of Presidency Group of Institutions, and Ms. Nafeesa Ahmed, Director, Presidency group of Institutions.

The dignitaries were welcomed with the Guard of Honour comprising the NCC contingent, Principal and CODs. This was followed by the ceremonious hoisting of the Tricolour and the students taking a solemn pledge. The School Captain, Ishita delivered a speech in Hindi where she not only spoke about the importance of the Republic Day but also urged the audience to be aware and involved in the matters of the country.

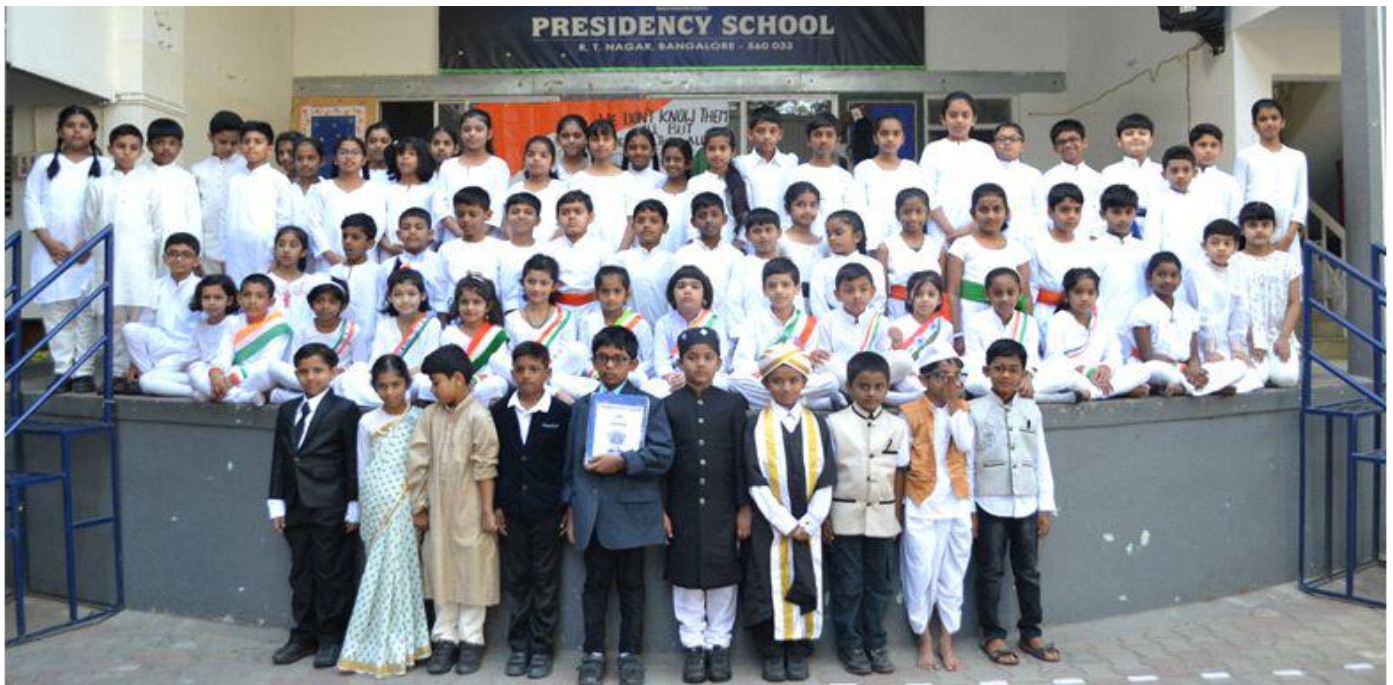

This was followed with an endearing dance put up by the students of Grades 3 and 4. This performance invoked the patriotic spirit through a medley of many soulful and thoughtful songs.

Sharvani of Grade 7 spoke about the importance of this day and how every individual citizen is responsible and can contribute to the progress of our great nation. This was followed by a song rendered by the school choir which infused patriotic sentiments in everybody present in the audience.

The second dance performance was based on the theme 'Humanity and Social Responsibility'. It depicted all that is wrong with the society today and compelled the audience to sit back and think about actions and consequences.

Our Principal, Mrs. Asha Micah, addressed the audience and in her speech reminded the audience about the sacrifices made by the soldiers who leave no stone unturned in their efforts to protect our nation. She urged the students to celebrate the country not just on a single day but every day of the year.

World Pulse Day

The United Nations declared 10th February, 2019, as the 1st Annual World Pulses Day. These ancient crops have been used in worldwide cuisine for thousands of years. These are rich sources of protein, fiber, vitamins and minerals such as iron and potassium. The students spoke about the benefits of eating these low in fat and sodium foods which are cholesterol free and can reduce the risk of heart disease, diabetes and certain types of cancer to a great extent. The students are of the strong belief that we should eat to live and not live to eat. An eye opener for all, the exhibition of the pulses kept all amazed as most of them did not know that such pulses existed. A day that has rightfully been celebrated!

Valedictory - 31st January, 2020

"Onward..... The way ahead."

This was the idealistic and optimistic theme for the Valedictory Ceremony for the outgoing batch of the students of Grade 10 for academic year. The program commenced with an All Faith Prayer and the lighting of the lamp by the dignitaries, followed by an invocation song rendered by the school choir. The Welcome Address for the programme and the introduction to the chief guest and all the dignitaries was delivered by Ms. Madhavi Lata, Coordinator, Middle and High School and Ms. Sudha Kalyani, Coordinator, Primary School. The next event was the symbolic passing on of The Mantle of leadership from the outgoing students to their juniors. Our Principal, Mrs. Asha Micah, addressed the students with a heart-touching and motivational talk. During the course of the talk, she made the students muse over the fact that the very same things that annoyed them during the school days, were going to be the very same things that they would cherish later on in life.

It was an emotional moment when School Head Boy Vibhav Simha and School Headgirl, Ishitha Hemant delivered their farewell speech. They recollected memories of the years that they had spent in Presidency. They also expressed gratitude to all the teachers and the support staff as they reminisced their eventful journey through their school years at Presidency.

Mr. Vilas Hegde, parent of Manya, and Mr. Hemant, parent of Ishita addressed the gathering and paid a glowing tribute to the school. They lauded the school for not only maintaining high academic standards but also respecting and maintaining a diverse environment. They were grateful that the school encouraged a holistic development of their wards. The presentation "Glimpses" was a video of reminiscence taking the students down memory lane of the years spent at Presidency. The chief guest for the event was Dr. Benny Prasad, a renowned musician and campaigner for youth issues. It was interesting that the chief guest accompanied with his wife, delivered a part of their message through a song. He told the students the importance of having a clearly defined purpose in life and working relentlessly to accomplish this. His address was lighthearted and contemporary, and students were able to take many a valuable input from his speech.

The Vote of Thanks was delivered by Ms. Sofia Jagdish, Kindergarten Coordinator.

The ceremonious lighting of The Mother Candle was later followed by the lighting of candles by students to spread The Light of Knowledge. The outgoing students paid tribute to their teachers by the mellifluous rendition of the Guruvandana. This was indeed a resplendent scene with candles lighting up the beautiful night. Ms. Nafeesa Tanveer Ahmed, Director, Presidency Group of Institutions, administered the oath wherein the young graduates pledged their allegiance to their parents, society and the alma mater.

The Blessing Song followed by 'Light the Candle around the World' was rendered by the school choir during the recessional March. At this time, the dignitaries, teachers and parents formed a "Corridor of Blessing" along the aisle, to bless the outgoing students and give them their good wishes.

One Day Outing

The students were super delighted when a day's outing to Woods Resort was announced. Apart from providing fun and excitement, the serenity that comes post the tough scheduled student life is amazing. Right from lining up in school to boarding the buses, there was no way the excitement could be hidden. The onward journey itself added zest. Mouth watering food, rain dance and magic show, trekking and team building activities created the fervour that they needed. The return journey though half-heartedly had each one reminiscing the day's activities and cherishing these moments for a life time.

Library week activity

Library week is celebrated to promote reading habit through various activities. This year's activities were

- Book Mark making
- Fancy dress
- Design a cover page
- Quiz on books and poetry writing. The energy levels of excitement never seemed to dim and reverberated in the campus throughout the week

CCA CLUB ACTIVITIES

It is not just during class room hours that young minds can be mustered. With an aim to foster the all-round development of our students and to provide opportunities to enhance and nurture their inherent talent, CCA clubs were integrated in the school curriculum. The club activities commenced in the month of June and conducted their respective activities on a weekly basis on Fridays and Wednesdays. A total of sixteen sessions were held in the academic year.

Students were offered a wide variety of activities ranging from calligraphy, embroidery, gardening, cooking without fire, magical math etc. to name a few. It was mandatory for each student to be a part of at least one of the clubs as our primary goal was to provide a fun way for students to discover and embrace the spirit of relentless learning, inside as well as outside the classroom, so that they can identify with different interests, passions and personalities. Wednesdays and Fridays were really fun for students as they were engrossed in hands-on-activities that were really stimulating and productive. Our students from Grades 1-8 participated in a plethora of activities which provided great opportunities to hone their talents, there by promoting critical thinking, team work and social skills. CCA clubs also conducted various sports related activities namely football, volleyball, throw ball, chess, yoga etc., to help students develop their stamina and physical aptitude. The culmination of the club activities took place in the assembly area as well as in the respective venues on 18th February 2020 by way of a grand finale ceremony in which each club showcased the best of what they learnt and also in the respective venues.

Our Principal Ms. Asha Micah appreciated the students and teachers for their efforts and urged them to keep participating in co-curricular activities as it is an important part of the curriculum along with academics. On the whole it was informative, educative and enriching for the young minds to enhance and nurture their inherent talent. Certificates were awarded to all the students by the club in-charge teacher.

Inter School competitions

- KISA Chess Nationals held at Punjab Amritsar. Presidency School, RT Nagar congratulates Nachiketh Adiga and Manya Villas Hegde of grade 10 who represented Karnataka at the CISCE - KISA Chess Nationals held at Punjab - Amritsar.
