Book Buzz

About the book- DANCING DINOS AT THE BEACH : This story is about Dinos at the beach who went looking for some fun and were dancing. The Dinos sitting on the shade were sipping lemonade and were feeling very brave as they were riding every wave.

Students of grade1 enjoyed the story during the storytelling session and made beautiful cutouts of Dinosaurs ! which have been displayed in the school library.

LAR – Phonic Activity- Phonics is a way of teaching children how to read and write. Students learnt vowel diagraphs, consonant diagraphs, initial blends, final blends, tricky words, alternative spellings/magic in a fun way with lots of activities using letter boards, flash cards, word cards, picture cards etc., They learnt their tricky words as they jumped and played hopscotch.

Language Arts

Mathematics

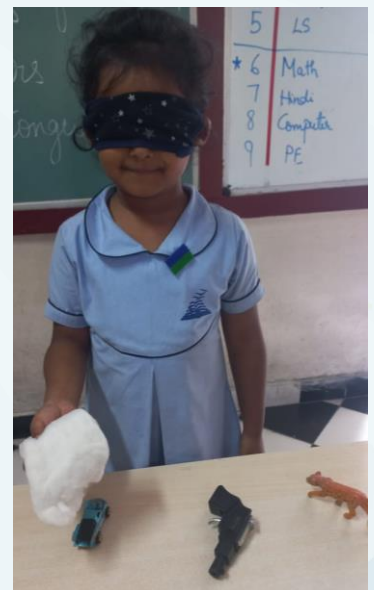

Comparing numbers is a method of understand two or more numbers and identifying if one number is equal, lesser or greater than the other numbers. The concept of comparing numbers is applied in our daily lives too which we do so subconsciously.

The teacher explained the concept of comparing numbers using the alligator Puppet to show that it always opens up to eat the greater number. Students then practiced comparing numbers using ice cream sticks and comparing the number charts.

EVS –It's Me ! - Booklet Activity – Helping kids introduce themselves builds their confidence. The very first chapter in EVS ‘About Myself’ dealt about knowing their likes and dislikes. Through this session students learnt that everyone is unique in their own ways. Students introduced themselves through a presentation in a booklet - It's Me! They also got an opportunity to describe their friends by choosing the right word card for their friend – friendly, honest, kind, good and learnt how each friend had a unique quality.

My Body Activity - Students enjoyed the blindfold activity where they had touched and felt the objects and then guessed it.

The class teacher gave a brief introduction to the competition to lay down the expectations. Students participated earnestly in the fun-filled activity. The best three creative art were selected from each class were awarded certificates.

International Yoga day

Theme:– Vasudhaiva Kutumbakam

Presidency School, RTNagar celebrated the International Yoga Day 2023 themed “Vasudhaiva Kutumbakam” on 21st June, 2023.

All of us are aware of the benefits of regular yoga practice, that include improved heart health, reduce blood pressure, enhance flexibility, and increase muscular strength. Yoga is also known to improve respiratory function, reduce inflammation, and improve overall mental wellbeing. Dressed in comfortable white outfits and clasp the yoga mat, parents, students and teachers made a beeline to the Assembly Area for the event. As a display, the young yoga enthusiasts presented a rhythmic yoga performance that left all amazed.

Post this a yoga marathon by the entire School, including the kindergarten demonstrating their dexterity, kept the momentum going through the special slot allotted for the day. This was one more step as one big family taking those steps to make Good Health our priority.
