## Book Buzz

Mr BROWN CAN MOO ! CAN YOU ?

Moo moo ! Hoo Hoo ! Cock-a-doodle-doo !

Oh ! the wonderful sounds Mr. Brown can make. Mr. Brown is so smart and makes wonders by combining the funniest stories. Craziest creatures and zaniest pictures with his unique blend of rhyme, rhythm and repetition, Students of grade 2 enjoyed the story by as they mimicked animal sounds and drew concatures of Mr. Brown !

LAR – Phonics: Children learnt new words and sounds which laid emphasis on new high frequency words. A game of Hopscotch helped reinforce the sound of letters and that did a great job. The impact was for all to see.

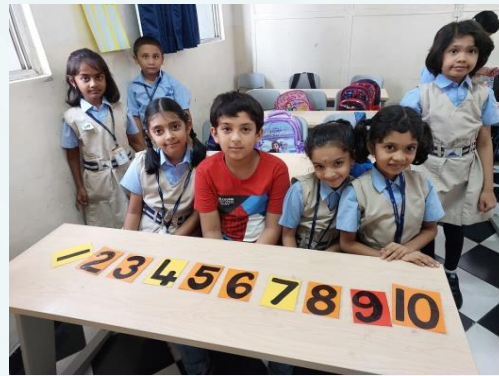

Nouns: Children explored the concept of nouns through an activity. The need to capitalize the first letter for proper nouns and use lower case for common nouns was well learnt. The excitement of the children was palpable when it was their turn to answer.

## Language Arts

## Mathematics

Math: Numbers play an important role in our lives. Children recapitulated these through a surfeit of activities. They were provided with number flash cards and manipulatives to identify the numbers and relate them with the number value. The counting activity kept all the students alert as focus and concentration was the key to the right answer.

EVS: Me and My Body- Students discussed about their likes, dislikes and their hobbies. They acknowledged that every individual is unique and this must be celebrated. Through simple experiments children learnt about sense organs and their functions. The importance of taking care of their body was discussed. Students learnt the need to remain healthy and strong, take care of themselves by avoiding junk food and eating healthy.

My Family : Students also learnt about Nuclear and Extended families. They shared happy moments spent with their family. The roles and responsibility of each family member was discussed. In the Family Tree activity, students drew pictures of their family members as well as those of extended family members.

## EVS

## Kannada

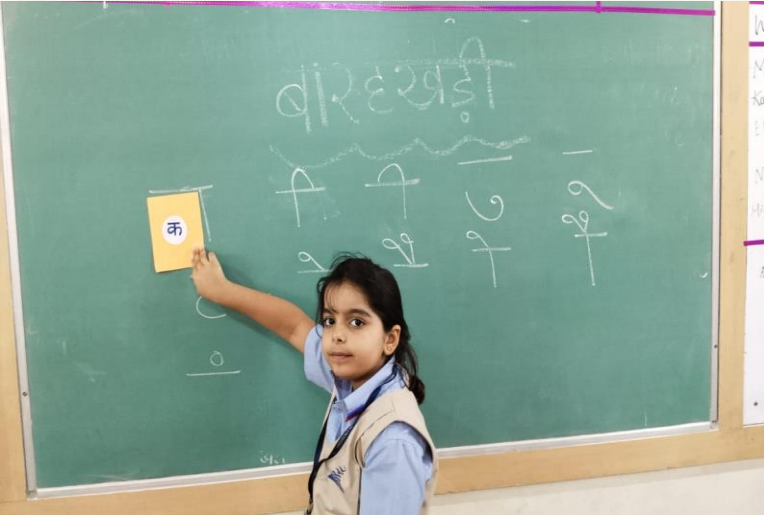

ಗುಣಿತಾಕ್ಷರ :ವಿದ್ಯಾರ್ಥಿಗಳು ಸ್ವರ ಚಿಹ್ನೆಗಳನ್ನು ಆಂಗಿಕ  
ಅಭಿನಯದ ಮೂಲಕ ಹೇಳಿಕೊಡಲಾಗಿದೆ.

ಅದರ ಕೆಲವು ತುಣುಕುಗಳು.

Description- Children recapitulated varnamala and barakhadi.  
Various activities helped them to identify, form and relate  
objects with these akshars.

## Hindi

## Music and Movement

Children in these session introduced to Music and movement. They also trained in singing the School Prayer, School Anthem, National Anthem, 'God's Love Is So Wonderful' was the new song they were introduced to. Children were taught the Vocal warm up exercise with short and long notes - the solfege with hand signs. Movement meant learning the parts of the body through trending songs.

## Art and Craft

Students traced the picture of a horse and coloured the horse and cowboy. Using their imagination they also drew the sun , birds , butterflies in the background. Indeed the work of art was a masterpiece, each in their own way.

Games help to develop concentration, motor skills and hand eye coordination. For the physical development of children various games like 'Fire in the Mountain', Jumping and hopping basic throw ball techniques were sessioned- Introduction of asanas for International Yoga Day was done.

## Events / Activities

### Bird Feeder Activity : 8-6-2023

Decorating a bird feeder was a part of the Science month activity. This activity was a reflection for students to understand the importance of having bird feeders at homes as they are sources of food and water. With time there has been a dearth of nesting places and hence birds do not find enough food and water in city limits. Students made exquisite bird feeders. Bird feeders can provide birds a dependable supply of food and water and act as organic food suppliers to keep them well fed and thriving. Students enjoyed decorating their bird feeder and planned for vintage spaces where these would be placed in their homes. Students learnt the fact that the use of a bird feeder depends upon its placement and the kinds of food that we offer. After all even our feathered friends have preferences, when it comes to eating!

### Toy Making Activity- Treasure Out trash :

"Waste isn't waste until we waste it. Creating is making out something useful out of the discarded" . With an aim to give wings to the creativity and confidence of children, and allowing them to engage in realistic & immersive experience. Toy Making - Creating something artistic by using old things helped students in generating awareness and building the right attitude to take up activities in the real world. Besides this, it also enabled the students to give this creativity & innovation a shape. Children learnt new skills and the importance of saving the environment. They showcased their talent by creating amazing things. Using paper plates, coconut shell, water bottles, match boxes, bottle caps, sponge etc. students made toys like toy trains, Hand puppets, wall hangings, dolls and trucks.

## Robot Making Competition : 23-6-2023

Robust Robot : Robots have always fascinated everyone and our learners were all excited to make their own robots and give them a fancy name. The focus of the activity was to create a platform to exhibit their creative talents. The Class teacher gave a brief introduction to the competition and laid down the expectations. The Children participated earnestly in the fun-filled competition and came up with amazing ideas. The best three creative robots were selected from each class and the students were awarded certificates

### Environment day Special Assembly: 5-6-2023

Through the performances, displays and presentations the essence was to combat plastic pollution, using cloth bag, stop use of bottled water and use refillable bottles instead, use non-plastic eco-friendly cutlery during gatherings and events, using steel lunch boxes and so on. A mime on impact of mindless disposal of garbage was well received by all. The assembly drew to a close with a **#plantahopeinitiative of the School** which was symbolic of a brighter future and the hope that we as a generation will save the environment and protect everything that lives! Through this initiative teachers and students pledged to grow and nurture plants all around them- wherever there is space, and then making more space. Here's to a greener, newer and a better world.

## Ocean day Special Assembly: 6-6-2023

World's ocean day is observed on June 8th every year to spread the awareness about the role of oceans on Earth. Oceans are said to be the lungs of the Earth. It's an individual's duty to participate and contribute to protecting and preserving our shared ocean. So, it is desirable to get together with our family, friends and community to create a better future for our planet by the thought on ocean day. The Children of Grade 1 put up a ramp show with their beautiful attire followed by a foot tapping dance by the grade 2 students. Netri of Grade 3 shared the steps to save our ocean and marine life from the dangers of global warming and Harsha Mitra from grade 4 delivered a speech on the importance of celebrating this day. The Principal addressed the assembly and highlighted the need to protect our oceans and congratulated the teachers and the young minds for the well planned assembly.

## Father's day Special Assembly:

16-6-2023

Special Assembly saw a surge of emotions – love, tears, joy, memories and much more. The thoughtfully crafted assembly pulled at all heart strings showcasing the father-child bond.

Teachers also shared their moments of joy that they had with their fathers and love some fathers have now become 'Stars' watching over all of us.

## Eid Special Assembly: Conducted on 27-6-2023

The students of Presidency School, RTNagar put up a special assembly to understand the Story behind the celebration of Eid –Al Adha. The festival is all about the essence of sacrifice and charity which signifies the 'willingness to give up ones most beloved possessions for the sake of God.

The students dressed in their finery played their roles to perfection and added to the festive mode.

They presented the essence of this celebration, a song and a dance to showcase the joy of oneness.
