Principal's Message

Dear Parent,

Greetings from Presidency School R T Nagar !

As I pen this School Year closure note, I must say that this year has been phenomenal. They say, 'there are decades where nothing happens and there are weeks where decades happen', but this year- days, weeks and months were not only happening but also has left behind benchmarks.

We are thrilled that all our pupils of all ages including the teachers were involved in a learning that simply spelt matchless dynamism.

All through, we made it imperative that our children count their blessings and focus on the gains of the year than the gaps. I am sure you will agree that it is important to remain grateful and humble, as we remember how privileged and fortunate we are. The year has built massive reservoirs of endurance and resilience in us all. Children have become more self-reliant, empathetic and have displayed a maturity that defies their young years. I must say, our children have been heroes over the years as they grappled with uncertainties and emerged stronger than ever before.

From making a mark on National and International Forums in Throw Ball to finishing as Runners Up at the BTR Cricket Tournament , we made it 4th at the Nationals in Archery along with accolades in Football, Quizzes, Debates, MUN, Dances as well as many other firsts. We now have our Volley ball and Hockey Teams gearing up to make a mark. With 100 odd cadets of the NCC Air Wing making waves our School indeed has celebrated the Festival of learning.

Not to forget we bid adieu to our graduating class of 157 Grade X students who are moving on to newer avenues, exploring the options that the world has for them. Each of the graduates has assured to be the Polaris in the lives that they touch, remaining steadfast, determined and undeterred.

Looking back on this year, I'm proud to note how far we have come as a family of Presidency Schools, celebrating our strong academic history and building an education platform fit for the future. True to our commitment we are preparing all Presidencians for tomorrow's world, empowering our young learners to shape the world they want to live in!

We are delighted that teaching and learning with fun interspersed , are overwhelmingly seen as the things we do best. The constructive feedback and parent connect have been much valued. I reiterate with pride that we have cemented our parent partnership bond, made it stronger than ever before. The nature of appreciative behaviour and responsiveness has deepened our relationship .This interplay of life and learning is truly our fuel to excellence. We as holistic educators look to the future with optimism and courage and pass on the wave of compassion and empathy to all around.

As a parting note, we will miss those families who are moving out of the City / State /Country. Equally we say goodbye to members of staff who have moved on owing to personal obligations . Our very best wishes go with them with sincere thanks for their engagement and efforts.

We look forward to the next academic year, and offer a warm welcome to all the new students and their families.

Thank you for being on the journey this year as a part of our ever growing Presidency family, and I wish you all the brightest of futures.

Wishing you all an enjoyable summer,

Yours truly,
Asha Micah

Kindergarten Kaleidoscope

“Kindergarten children are like tiny flowers; they are varied and need care, but each is beautiful and glorious, when seen in the community of peers”. Let us peep into the beautiful, innocent, creative marvel of kindergarten world.

The kindergarten section of Presidency School R.T. Nagar witnessed a gamut of events and activities which provided the tiny tots with good learning experiences. The pre-primary tots got themselves busy with various activities like thumb printing, sponge dabbing, blot painting and making paper cup bells.

The tiny tots of K1 were engrossed in fork and blow painting, making party hats and beautiful cards. The older ones of the kindergarten (K2) climbed the ladder further by engaging in making wind chimes and origami tulips, vegetable printing and messy play.

A Symphony of events

From joyous performances to dazzling assemblies, our Kindergarteners celebrated Chef day, National Mathematics Day, Community Helpers day, Kisan Diwas, Candy day, Solar system day, Puppetry, animal welfare day, seasons, balloon art, movie time, winter winding, accessories making and rhyme day. Students, teachers, and parents joined in the celebrations, creating unforgettable memories. Our tots were also able to explore the depth of knowledge and immensely enjoyed celebrating these events.

Children's Day

Children's Day was celebrated with great enthusiasm and gusto. Students were dressed in different hues showcasing the very essence of childhood.

The teachers left no stone unturned to ensure that they made this day memorable for the children with their full throttle performance on stage. Songs, dances, skits electrified the stage. The teachers presented the evergreen tunes of 'Aao tumhe chaand pe le jayein, 'nani teri morni', while the 'birdie dance' had all gyrating.

The thunderous applause filled the atmosphere and showers of blessings, words of thank fullness touched all hearts.

Indeed a day to reckon with.

Colours are the smiles of nature

Colours spread joy, smile, fun, happiness and meaning in our life. To teach our KG stars the concept of colours like purple white, blue, brown, and grey 'Fun day' with colours was celebrated with a lot of enthusiasm each month. The entire KG premises was filled with a burst of colours as students arrived wearing colourful outfits assigned for the month. To add a touch of excitement, the children sang rhymes and were delighted to show their colour toys and talk about it.

It was indeed a fun filled and colourful day for everyone.

Winter Winding

Winter winding was celebrated to spread happiness all around at the onset of winter season. The season was further fun filled by celebrating festival of Christmas. The children enjoyed singing carols and were engaged in various activities like designing Christmas trees and making wonderful paper cup bells. The spirit of Christmas was visible all-around kindergarten. Children learnt to deal with the ongoing change in life and to make a smooth transition and adapt it.

Toytonics- For the child in You!

Presidency School R.T. Nagar Annual Day spectacle on December 20, 2023, brought the magic of childhood alive! From mesmerizing dances to heartwarming skits, 607 little stars from KG to Grade 2 stole the spotlight! Kudos to our young anchors, performers and the entire R.T.Nagar family for making Toytonics an unforgettable experience.

'Krida'- Mini Olympiad

The sun was shining brightly and the young stars of our Kindergarten gathered for a day of fun and friendly competition at our mini-Olympiad 'Krida'. The kindergarten athletes ran their novelty races like butterfly race, shoe race, flower race, lemon and spoon race, shark race penguin race, bunny race to name to few. All the budding athletes clinched gold medals. It was a day filled with the spirit of friendly competition.

Winter Wonderland – A Kids Carnival

Nothing could beat the fun and frolic of a carnival to usher in winter in the most fantastic way and bring the calendar year to a close. This carnival was a welcoming gesture that highlighted the value the school provides to the community. The supervised games, rides left parents and children amazed. Ball pool, Lego Disney house, child in a bubble, balloon pool, carousel, toy train were a hit and had children screaming in glee. Activities included mask making paint tattoo, nails and braids, fun games and much more.

The dance team had parents and students dancing in unison to the most trending songs.

Dr. Seuss birthday celebration

Dr. Seuss is a children's book author. To honour his contribution to children's story books, this was a celebration of life and works of Dr. Seuss, whose bizarre, colourful, and zany tales are cherished by young and old alike. His stories revolved around fantasy. The story "What Pet Should I Get" was selected to be displayed to all the Kindergarteners.

It was an opportunity to engage young minds with whimsical stories, colourful characters, and imaginative activities.

Say it loud and proud

Our budding artist from kindergarten 1 and 2 showcased their talent in drawing competition held by All India Hope Talent Contest. It was a day when we saw creativity exploding in every child's work. Participation certificates were awarded to the students. Medals, cash prizes and certificates were awarded to the following outstanding participants Manvi, Hadiya, Charushi.

“Spreading light, goodness and cheer”

Festivals like Kannada Rajyotsava, Diwali, Sankranthi and Republic day were celebrated with a great happiness by the Kindergarten tots. They were apprised about the significance of the celebration through an array of activities like flag making, decorating pots and kites. It was a beautiful sight to see them dance, sing and celebrate all festivals together in gay abundance.

Field trip to the “Picket Fence

The students of K2 went for a field trip to the ‘Picket Fence Farm’ on 15th March 2024. The enthusiasm of the children was worth a watch.

Students got a chance to feed goats, ponies, cows donkey, camel, chicken and their young ones. They could observe turkeys and geese running around freely.

They were simply fascinated to see the iguanas, Guinea pig, porcupine and some students were brave enough to touch them. Most students preferred petting the rabbits, though. There was a huge aviary with a variety of conures, African love birds, finches, and cockatiels. Student were given bird food to feed these beautiful creatures.

The pottery activity turned out to be very interesting as every child got to make their own pot which was a takeaway for them. The students learnt about animals and had a great time bonding with them. This hands-on-experience proved to be an outstanding way to facilitate learning in young learners.

Kindergarten Graduation Ceremony

Presidency School, RT Nagar bid adieu to its Kinder Graduates at its Graduation Ceremony on 17th February, 2024. 151 Kindergarten II students have successfully completed their Kindergarten Course and will now be stepping into Elementary School. Ms. Wanita Ashok Fitness Coach and Motivational Speaker was the Chief Guest for the Ceremony themed 'Pearls in the Oyster'. The Highlight of the Ceremony was that it was student led with the tots taking the reins of compeering as the Masters of the Ceremony. The Ceremony saw the Grand March of the Graduates to the Stage, eloquent speeches both from students and parents as they shared memorable moments. The graduation song was sung by the outgoing students while the K1 presented a welcome dance. A student representative of grade 1 welcomed the K2 to elementary School stating the transitions that is awaiting the children next year. The Chief Guest in her address reiterated the need for the parents to remain fit and healthy so that they can bring up a healthier Nation to form a Fitter India. Parents thanked the Management for all that Presidency has been doling out to its learners and stake holders. Must we say our pearls shone brighter by the minute or was it their 100 watt smiles that lit up the campus.

Summer Class Party

With the aim of providing the children with some excitement on the last day of school, ‘Summer Class Party’ was organised for the Kindergarten Wing. Kindergarteners got ready for a whirlwind of excitement and joy. The students dressed up in colourful outfits and carried balloons. The teachers and tots danced to foot tapping numbers like. “It’s summer time”. They enjoyed various games like musical chair and “ring the elephant’ to name a few. The teachers presented ice cream, candy, smileys, lollipops handouts to each child expressing their love and blessings. It was indeed an exciting fun filled and rejuvenating way to end the session, as we look forward to amazing academic season 2024-25

Summer Camp

Date-25-03-2024 to 30-03-2024

This Summer Camp aimed at keeping the students engaged and provided them an even platform to explore and express their creativity, in any form. They not only made memories while having fun but they were able to face their fears, try new things, push their boundaries, and realize self-sufficiency. They were able to make new friends amidst lot of laughs and learnt team spirit.

The Camp provided some hands-on experiences in the following areas:

- Phonics and Reading
- Art and Craft
- Story telling
- Zumba

The exuberant learners zealously participated and showcased their diligence towards each planned activity of their choice. The essence of this camp was to develop a sound character of each student and ultimately the motto was achieved. This Summer Camp was earnestly appreciated not only by the participants but also by their parents.

Vibrant Ventures: A Chronicle of Middle and High School Activities and Events

Second term started with **Sports Meet-Krida**

Presidency School, flagged off its Athletic Meet – Krida 2023 and the energy was reverberating and palpable all through the day!

With Rajyotsava Celebrations pervading the atmosphere, the school and the students left no stone unturned to present the majesty of Karnataka and its spirit on this platform.

The NCC cadets presented the Guard of honour to the dignitaries Mr Yere Goud, BCCI, NCA Level 2 Coach who was the Chief Guest for the day, Ex - Army Havaldar Jatger who judged the Marching contingent, Principal, Heads of the Departments, and the Co-ordinators.

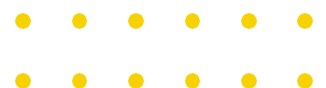

Post the hoisting of the flag the Dignitaries inspected the Platoons of the School Houses- Curie, Pele, Tagore, and Da Vinci, the NCC, The Scouts and Guides, the National Teams etc. The Athletic Meet was declared open with the release of the House- Coloured Balloons which seemed to compete to reach the greatest heights. The March past was presented in all its authority and splendour. The Tableau depicting the rich heritage of Karnataka is truly worth a mention. The Yakshagana performed by our girls and the Pili Nalike by the boys stole all hearts amidst the thunderous rounds of applause.

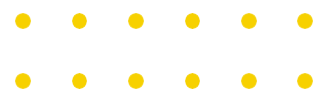

The Kindergarten 'athletes' ran their Novelty races and **all** clinched gold medals. The much serious races came from grades 1 to the super challenging track and field events at the high School. The closure had a Band display that was deeply cherished and applauded for its precision. The closing march past and lowering of the flag brought the entire assemblage to a standstill and there was tug at all hearts, as we await the next athletic meet in all its glory, next year!

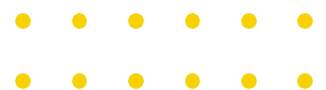

The highlight of this Athletic Meet was student Leadership where the entire event was taken over by the School Cabinet which included compering, commentary, conducting races, Organising the Prize Distribution, managing student discipline and student movement with utmost care.

We must say, our young leaders are indeed proving their mettle and their worth to the insignia! The Overall Championship went to Pele House while Curie House was adjudged the best Marching Contingent!

Krida 2023 has left behind an indelible mark for the many firsts, ever!

A JHALAK that left asking for more! - Jhalak2.0 it is!

Presidency School unfurled its 2nd Season of Jhalak2.0 its Annual Exhibition. This exhibition was a glimpse of talents that our learners have and, must we say it left all spell bound. The highlight of this Season was the **Theatre Fest** where students from Grades 3 to 9 enacted snippets from different genres whether it was the very intense Julius Caesar or the naughty Swami and Friends, to Matilda and not to forget Tom Sawyer amongst many more.

The Mock United Nations was an eye opener for most parents as they were amazed to see the students' leadership skills, research, public speaking, and problem-solving skills. The solutions that were acceptable to most of the representatives inculcated skills of negotiation, conflict resolution, and cooperation.

The Wellness Centre headed by the Inclusion team had people thronging to understand emotional quotient and well – being, the need of the hour.

The Art Exhibition showcased varied skills from Madhubani to Kalamkari, Portraits and sketches while the Science, SST and Math Departments left all astounded at the in-depth research and confidence that every participant displayed.

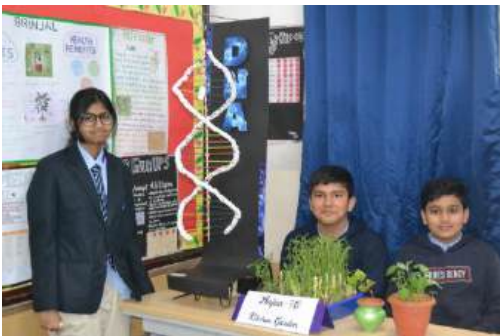

The Gamez Unlimited section saw people transcending barriers of age and gender as each attempted a go at every game set, and win that chocolate.

Karim Sharief of grade 9 has developed a website for specially for Jhalak and spectators made a beeline to access the QR Code. It did leave many baffled at the adeptness and skill of this young developer.

Jhalak 2.0 sets benchmark for the season 3 next year. We shall return with Jhalak 3.0. Watch this space for more.

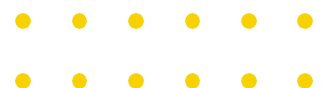

OORJA- Unleash the energy within!

Presidency School R T Nagar presented its Annual Day production OORJA- Unleash the Power Within! on the 19th and 20th of December, 2023.

The shows for grades 3-10 were presented in two slots with 600 odd students performing in each show. Ms. Aditi Avasthi CEO Embibe was the Chief Guest for the First Show. The in-house production saw multifarious displays of dances, dance drama, skits, and soulful renditions by the school choir of 77 singers. A script that was tailored to bring out the very essence of the theme was supported by amazing LED graphics, beautifully designed costumes, and the performances by the energetic students of the Unit. Oorja focussed on the elements of Fire and Ice, the good and the bad depicted through the performances that left all spell bound. With the theme neatly woven from a clarion call to stop war, save nature, Zero Hunger, to the fall of the invincible titanic, fire in the eyes of the warrior (Sangoli Rayanna), the Jallianwala Bagh relived, Dante's Inferno, to the Snowy evenings, the show had it all. The battle of the duo when fire met ice left the audience awestruck.

Presidency thanks the entire parent community for all their support, the amazing stars (our students) who shone bright on stage and the teaching fraternity at R T Nagar campus that made this event a resounding success.

Toytonics- For the Child in you!

Presidency School presented its Annual Day production **Toytonics- For the Child in you!** on the 20th of December, 2023. The show for Early Years viz Kindergarten to Grade 2 had 607 tots performing in the show. The in-house production saw multifarious displays of dances, dance drama, skits, and soulful renditions by the Primary School choir. A script that was tailored to bring out the very essence of the theme was supported by amazing LED graphics, beautifully designed costumes, and the performances by the energetic students of the Unit. Toytonics was our effort to relive our days of yore slowly tracing the journey of toys in the industry and their impact on the life of every little child. The little tots depicted this expedition of toys from the Early Cave man days to the latest AI dependent toys. The audience was left spell bound by the confidence and attitude that the performers displayed on stage oblivious of an audience of 1200 odd. Kashmiri dolls, the chess board and its pawns making the right moves until they are check-mated, Manipuri dolls, chanpatna toys and more rolled on to the stage one after the other. With the theme neatly led through by a skit, the whole show was presented by the students right from anchoring, voice over, welcoming dignitaries and presenting the vote of thanks. The Genie and the little boy helped the audience traverse the impressive journey! The pyjama party brought the curtains on Toytonics bringing in the naughty side of every child, who want the parents to let them be with 'doddava yella jaana alla! Presidency thanks the entire parent community for all their support, the amazing stars (our students) who shone bright on stage and the teaching fraternity at R T Nagar campus that made this event a resounding success.

Valedictory Ceremony – 10th February, 2024

Presidency School, hosted the valedictory Ceremony for the 156 outgoing students of Grade X. The Theme for the ceremony was 'Polaris- Determined and Undeterred.

The solemn ceremony was graced by the Chief Guest for the evening Dr. Rajdeep Manwani, Dr. Rajdeep Manwani is an academican, trainer, motivational speaker, life coach, counsellor and quizmaster, Director Presidency Group Dr Nafeesa Ahmed, Vice President Presidency University Mr Salman Ahmed, Senior General Manager Ms Azeeza Easa , Principals of Unit Schools and parents of the graduates.

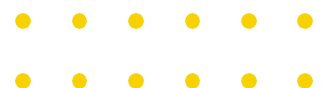

The Choir rendered soul stirring numbers while the dance troupe presented the theme dance.

The Chief guest exhorted the need to be focused - overcome fear and look at challenges with confidence. In the face of adversities- 'So What?' must be the soul's response.

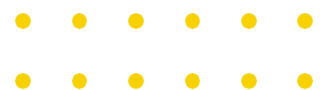

The LED wall displayed memorable moments of the children in their journey at Presidency from the Kindergarten Days which left most of them teary- eyed.

The candle lighting ceremony followed by the oath brought the ceremony to a close.

The assemblage blessed all the graduates at the recessional march. We wish our outgoing students the very best in life.

Special Assemblies and Celebrations

Valmiki Jayanthi

We celebrated the birth anniversary of Maharishi Valmiki with all sanctity and ethos. Valmiki is revered as the first poet of Sanskrit Literature and a great sage. He authored the epic Ramayana. The celebration saw Bhajans, kirtans skits and teachings of Valmiki in all its splendour. Show no disrespect even when impelled by desire or anger. People are as repelled by a liar as they are of serpents. Lord Valmiki's life teaches us that we are not born good or evil, it is our deeds that determine our greatness. The message of this great sage was reiterated and the relevance of his teachings in the contemporary world was impressed upon.

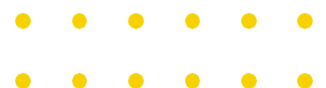

Kannada Rajyotsava

The 68th Kannada Rajyotsava was celebrated with great enthusiasm. The programme commenced with the Nada Geete Jaya Bharata Jananiya Tanujate followed by the various tableaux and dances highlighting the very essence of the State Festival .Tableau comprised Kannada mate Bhuvaneshwari Devi, Ratnatrayas, Jnanapeeta Prashasti Awardees, Vachanakaras, Dasa Varenayas, Odeyar, Kitturu Rani Chennamma, Onake Obavva, Akkamahadevi, Kempegowda, Sir.M.Vishweshwaraiah etc.

The Yakshagana for Baarisu Kannada Dindimava, Hulivesha and dance for mixed song- Kannada...Romanchanavee Kannada, Kalladare nanu, Kelisade Kallu Kallinali, Huttidare Kannada Nadinalli Huttabeku Dance captured the audience's attention.

Children's Day

Children's Day was celebrated with great enthusiasm, fervour and gusto. Students were dressed in different hues showcasing the very essence of child hood. The teachers left no stone unturned to ensure that they made this day memorable for the children with their full throttle performances on stage. Songs, dances, skits, electrified the stage. The teachers presented the evergreen tunes of 'Aao tumhe chaand pe le jayein','Nani teri morni', while the 'Birdie dance' had all gyrating. The thunderous applause filled the atmosphere and showers of blessings, words of thankfulness touched all hearts.

Indeed, a day to reckon with.

Diwali – A Celebration of Lights, Love

Presidency School celebrated the eve of Deepavali with stage presentations that brought forth the spiritual victory of light over darkness, good over evil, and knowledge over ignorance.

The students also went on a walk to vantage areas sharing the slogan 'No to crackers' and distributing organic diyas to passers-by.

This act touched hearts of many as our young representatives demonstrated that sharing is truly caring and exhibiting consciousness to keep our environment safe.

The Christmas celebration brought in glad tidings and season's greetings. The school choir presented the melodious rendition of Christmas carols which set the tone for the festivities. The little angels of grade 1 enthralled the audience with the angel dance. A speech on the story behind celebrating Christmas was followed by an energizer activity that set the holiday mode on. All the students, teachers and parents gyrated to the tunes of the Chicken dance amidst peals of laughter.

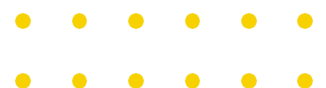

Sankranthi

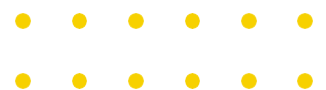

A special assembly was conducted to mark the occasion of Sankranti on 11th of January 2024. Sankranti is a harvest festival celebrated across India with great fervour. The students showcased this harvest festival in the form of a dance – drama. This included the traditional celebration methods of Karnataka, and Punjab. The act displayed different dance forms of our states and presented a vibrant cultural diversity beautifully on stage. The students took part in the assembly with a great deal of enthusiasm and filled the air with festive spirit

Saluting the Indian Republic Day – 26th January, 2024

Presidency School celebrated the 75th Indian Republic in all its grandeur. The guard of honour was presented to the Chief Guest Capt Sanghamitra Boreddy (Retd) and Mr. Salman Ahmed Vice President, Presidency University after which the National Flag was unfurled. The School theme for the event was Viksit Bharat, Nari at the Helm, in alignment with the School vision. Dance dramas, rendition of patriotic songs, poignant speeches and tableau of the first Indian Women, who made a mark of recognition, in their chosen fields formed the essence of the day. The Chief Guest Capt Sanghamitra Boreddy (Retd) spoke of the changing role of women in the society and of men as allies to help them achieve their dreams and goals. Nothing is impossible to one who dares to dream and work towards it. Jai Hind!

Martyrs'

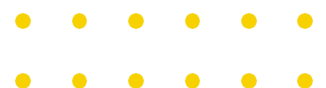

Martyrs' Day was observed at School in utmost solemnity. The entire School observed a 2- Minute silence as a mark of respect to the Mahatma. The school choir rendered the Bhajan Raghupati Raghav Raja Ram". which had become a common feature in the Mahatma's prayer meetings. Also, Mahatma Gandhiji's favourite Bhajan, 'Vaishnav jan to' was played on the Digital Media in all classrooms. The School Assistant Head Girl Safiya shared a glimpse of the life of the Mahatama which embodied the very essence of his philosophy 'Truth is God and God is Truth.'

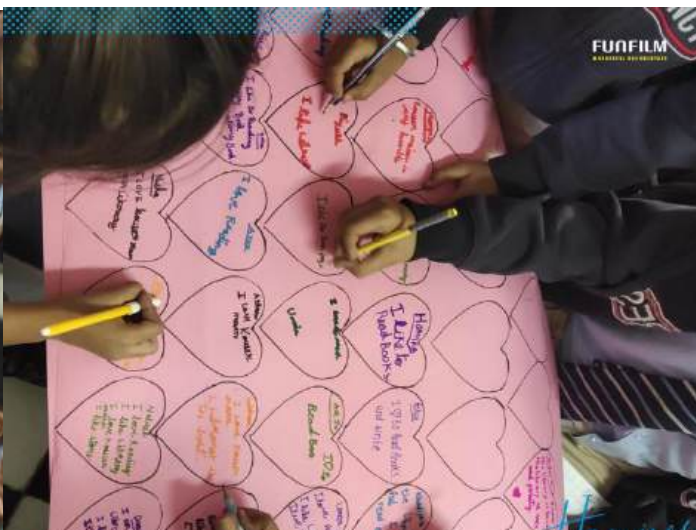

Library Week - Grades 1 to 8
Conducted from 08.01.2024 to 12.01.2024

1. The library week was flagged off with a series of activities laid out for the week, commenced with a reading pledge during school assembly where in all pledged to make reading a book the last thing before hitting the bed.
2. Activities
 - a) Grade 1 and 6 – Book Mark Making, Students designed a bookmark with a quote that would motivate one to read more.
 - b) Grade 2 – Dressing up as Favorite Character. The students showcased their creative imagination by dressing up as their favourite characters who appeared in novels of different genres
 - c) Grade 3 – Made a Cover page for their Favorite Book. They designed cover pages that touched the theme but did not reveal the plot
 - d) Grade 4 – Twist the Tale: Here Female characters were re-modelled into a male character to create a new story of Cleopatra; Students of Grade 4 contributed a story with an unexpected twist in fictional characters and created a new story. This creative writing turned into a beautiful story, worth publishing.
 - e) Grade 5 –Students of grade 5 depicted their favourite character and listed out character traits.
 - f) Grade 7 – Write a Poem / RAP on ‘Reading’ creativity was at its peak as they made attempts to bring in the elements required that included cadence tone and performing it.
 - g) Grade 8 – A new ending to the story “Peter Pan” with the lead character as a Woman, had them writing different ending for the story Peter Pan, where the lead character was named as Pretty Pan, Petra Pan, and Pelly Pan to name a few.

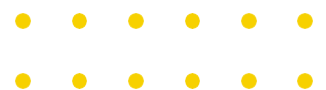

3. PSRTN is proud to introduce the budding authors of the school who have written and published their own books at Bri-Books. These budding authors had a Press Meet with their classmates and other aspiring authors who discussed about the experience and the writing journey.

Sl. No.	Name	Class & Sec	Title of the Book / s
1	Anaya Shifa Ali	1B	1. Pets Journey with Me 2. The Only Lonely Brownie
2	Arjun Vinod,	3C	Arjun's Dream
3	Rushchika	5D	Forgotten Memories

6	Adain Pasha	8A	The True Friendship
7	Keerthana K	10A	Unlocking Magic

4. DEAR Activity – “Drop Everything and Read” had the whole school reading and must we say it was a fabulous sight with everyone in the campus reading through the time.

CCA Club Culmination Report-AY-2023-24

The co-curricular activities for grades 1-5 for the academic year 2023-24 culminated with grandeur on the 14th of February 2024 with Panorama.

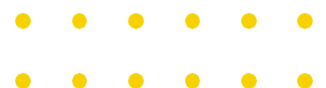

The CCA clubs ended with a culminating activity in diverse forms that varied from whisking some quick chocolate cake pops to the amateur dancers who danced their hearts out as they performed on some foot tapping music.

The students played their favourite songs on the music recorder as they enthralled the audience. A thunderous round of applause greeted them. The students of the singing club presented a mesmerizing song while the junior school band played the tune 'A Hundred Miles' on the mouth organ. The students of the karate club were received their yellow belts and certificates.

The young enthusiasts of the Yoga Club performed asanas and presented synchronized formations. The students of the Stitch Craft club exhibited their creative work with different styles of stitches. The participants of the chess club gave a tough challenge to the opponents as they roared 'Check -Mate' Students of the calligraphy club were at their creative best as they created beautiful posters using fonts of different calligraphic styles. The Spell-Bee club had its participants actively immersing themselves in deciphering worksheets that tested their spelling skills.

Our young 'Picassos' were at the best of their imagination as they sketched beautiful pictures, landscapes, and hand-crafted take aways as memoirs of their participation in the Art Club.

All students had an amazing learning experience in each of these CCA clubs. As they received their well-deserved certificates, they are looking forward to be a part of the CCA clubs for the next academic year.

Sports

U-14 Cricket Tournament hosted by Ambition Sports Association	U-14 Cricket Team	We congratulate the School Coaches Mr. Ghulam and Mr Chandrashekar for their tireless efforts in shaping the Team.
--	-------------------	--

Presidency School R T Nagar is delighted to share that RUSHCHIKA A KOPPAL of grade 5 has qualified for the World- Wide Taekwondo Championship Tournament to be held in Japan next month. She bagged the silver medal in Taekwondo level-7 at the National Taekwondo Tournament Raw Combat. We congratulate RUSHCHIKA A KOPPAL and her parents for this fete. Presidency is proud of this young girl.

Making a mark in Volley Ball!

The Girls' Volley Ball Team of Presidency School R T Nagar made a mark in this game by being the Runners Up at the Inter Presidency Sports Tournament PISKOT. We congratulate them and also recognise the efforts of Mr Ramkoti the PE teacher for his contribution in shaping this new team. Good going team, this is just the beginning.

Presidency School, R.T. Nagar

Karnataka State Inter-School Karate Championship hosted by RYUEI RYU RYUHOU KAI
(GIA) Karate Do Kobundo Organisation of India

The students of Presidency School, R. T. Nagar Bengaluru participated in the Karnataka State Inter-School Karate Championship hosted by RYUEI RYU RYUHOU KAI (GIA) Karate Do Kobundo Organisation of India on 27th January, 2023 at Delhi Public School, Electronic City Bengaluru. Congratulations little Champs! This is just the beginning.

4.	Mohammed Adeeb	2D	Gold Medal in Individual Kata
5.	Abdul Ahad Mohammed	3C	Bronze Medal in Individual Kumite
6.	Ayush A	5E	Silver Medal in Individual Kumite

Department Activities and Competitions

Kannada

Kannada Rajyotsava was celebrated with great enthusiasm at Presidency School on 2nd and 3rd November 2023. The joy immersed the campus as the school was decorated with yellow and red decorations marking the month-long celebrations. The special assembly was an enigmatic display of folklore, folk songs, and traditions descend on stage. The Yakshagana, Kolata, Janapada Nritya, Kavana Vachana and the Huli vasha performed by our students had all mesmerised. The true spirit of being a Kannadiga was writ large on all faces!

The Kannada Nada Geethe was sung exquisitely in all its solemnity and gratitude to the State! Procession of Kannada Rajyotsava was thoughtful. Children were dressed up like Kannada Tayi Bhuvaneshwari, RatnaTrayas (Pampa, Ponna, Ranna), Jnanapeeta Awardees, Dasa Varenayas, Vachanakars', Shishunala Shareef, Panchakshari Gavayi, Sir M.V, Sangolli Rayanna, Kitturu Rani Chennamma, Onake Obavva, Kempegowda, Krishnadevaraya, Jayachamarajendra Odeyar, Dr. Rajkumar, Yakshagana artists, Kolata dancers, Hulivesha, Kannada Alphabets, numbers etc. Poster was designed with the important places of Karnataka. In the month of November, various activities and competitions were conducted. Shishugeethe, Padabandi, Gayana Spardhe, Sundara Baravanige Spardhe, Collage Making etc were conducted for primary level. Nalige Nuli, Kavana Vachana, Katha Spardhe, Ogatu(Riddles), Chitra Nodi Gade Heli, Vakya Odi Bhakshya Huduki, Kavana Rachana Spardhe etc were conducted for Middle and highschool level. These activities and competitions were aimed to enhance fine motor skills and creativity among children.

Jai Karnataka Mathe!

Mathematics

“Without mathematics nothing you can do. Everything around you is mathematics. Everything around you are numbers.” – Shakuntala Devi. Keeping the above quote in mind, various activities and competitions were organized across the grades as a part of Math month in January 2024. Grade 1 and 2 activities were based on the number concepts and emphasized on various operations. Grade 3 and 4 students showcased their calculation skills through the activities. Grade 5 and 6 students did activities which were connected to real life. Grade 7 students used their creativity skills to prepare rap songs and grade 8 students made models of solids and understood the real-life connections. Grade 9 activity was based on the principle learning by doing. Students did the verification of various theorems using paper cutouts which helped in improving their critical thinking skills. Competitions were also planned for grades 1 to 8 through which students combined their artistic skills with mathematical skills. Also, the competitions measured the accuracy, application, and time management. These activities and competitions developed an interest in various branches of Math. Students enthusiastically participated in all events. Overall, it was an enriching experience for students and teachers.

Computer

There were different Activities and competitions conducted from Grade 1 to 9.

Draw and Paste pictures of different parts of the computer, types of machines, create a collage of different input, output and storage devices and generations of computer, Students even created ppts for different topics given. The middle and high schools students tried their programming skills in python and java programming language.

Students of Grade 8 and 9 even participated in Programming, Minecraft, FIFA competition conducted in St. Joseph School, DPS and they won laurels to the school.

Exhibition with the theme 'Technovation' was conducted where the students exhibited their Artificial intelligence skills, programming, Robotics etc.

Music

Selection of the choir students was done in the month of June. The choir students were trained for Special assemblies such as Environment Day, Investiture Program, Independence Day, Mini sports day, Karnataka Rajyotsava Day, School Annual Day, Christmas assembly, Republic Day & Valedictory program. The choir was trained to sing in different languages in different voices (harmony). Few students were trained to play instruments to accompany the choir. During the Co-curricular Club activity – Students of grades 1& 2 were taught to sing songs, solfège in pitch, rhythm and melody. Students of grades 3, 4 & 5 were taught to play recorder instrument.

Dance

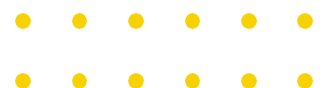

In the past academic year, the Dance Department saw dynamic changes and we showcased remarkable performances. The year commenced with the arrival of Rohit R, a new dance teacher, bringing fresh energy and expertise to the team. The department participated in two notable dance competitions, securing victory at DPS with a captivating presentation on the theme "Journey of Cinema" portrayed in an arithmetic progression, and earning second place at NPS with a compelling performance themed around Vedas and Upanishads. Throughout the year, the stage came alive with numerous performances during various assemblies, including the inspiring story of Avani, the celebration of Ganesh Chaturthi through Navadurga, and engaging mime acts, among others. The pinnacle of the year was the annual day celebrations, featuring two spectacular shows: "Fire and Ice" for grades 3 to 10 and "Toytonics" for Kindergarten. A total of 35 unique performances enthralled the audience, with the Toytonics show receiving a standing ovation. The "Fire and Ice" shows were a tour de force, featuring captivating acts such as an Ariel performance, the bravery of Sangolli Rayanna, the tragedy of Titanic, the historical significance of Jallianwala Bagh, themes from Dante's Inferno, and reflections on the hazards of elements, culminating in a stunning portrayal of Fire vs. Ice.

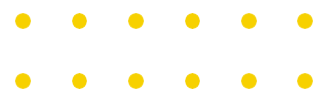

The Primary Panorama

The second semester of the academic year 2023-2024 started by the last week of October after a short break. Our students of Grade 1-5 were back with a bang, ready to face the challenges of the second session. Children settled down quickly and started studies in earnest.

Our curriculum is designed in such a way that all learning happens involving the students from start to finish. Activity-based, child-centered, integrated method is what we follow here. This method gives no room for students to find classes boring. Everyday at school offers something new and interesting, this helps the child to look forward to coming here. Learning is a lifelong process and doing and learning has a long-lasting effect

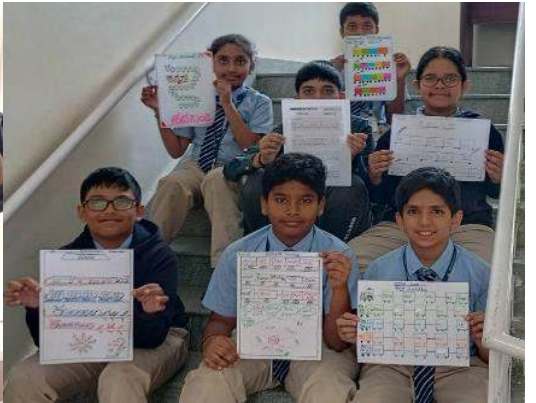

Language Arts is a subject that helps students get a good command over the English language. Prose, poetry, grammar were topics taught through activities. Phonics at the lower level is especially important, sight words and high frequency words were taught using phonic patterns wherever applicable. Grammar topics were taught in Concentrix circles of difficulty. They played grammar games like spotting parts of speech and sorting parts of speech into grammar bags were part and parcel of everyday learning. Reading programs, class discussions, poetry writing, limerick writing, and roleplays were conducted. PowerPoint presentations were used in the classrooms to enhance learning

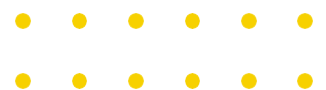

In languages like Kannada and Hindi, teachers helped our young learners to firstly improve their listening and speaking skills. Spell checks were conducted to improve their spelling. The math class is always a lovely place to be in. Children are super excited to learn and develop new mathematical skills through games, activities, and PowerPoint presentations. Math games like Snakes and Ladders, Playing with Numbers, were great fun. They enjoyed creating the Abacus to show the place value of numbers. Songs related to geometrical diagrams help students enjoy their learning and at the same time understand the concepts well.

In science, topics like Human Body, Adaptation in Animals, The Skeletal System, and Our Green World were all taught through models, experiments, observations, and recordings. Students used simple material that was available at home to create lifecycles, habitats, skeletons, and charts to present their learning. Catchy posters were put up by children about how to save and conserve water and soil

In social studies, children learnt topics through PowerPoint presentations, model-making, project work, and drawings. The young learners created projects on volcanic eruptions, water harvesting models, and terrace farming on mountain slopes. Presentations on the water footprint, helped students understand how much of water was used in each household and how much they could save for future use. In computers students got involved in the lab through various activities - enhancing presentations programming in scratch, creating invitation cards, coding fun, computation thinking, using a mouse, and using paint.

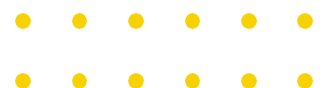

Music, Art, and Dance classes were a great attraction for our young children. In the music classes, vocal exercises, long and short notes, and classical notes were taught. Students learnt to sing a lot of songs in their regular classes. In the art classes, symmetrical drawings, skills of camouflaging in animals and insects, pencil shading, coloring concepts, creating textures in artwork, using the technique of pointillism, and number drawings were taught. Children looked forward to their dance classes and were eager to master the steps that were taught by the dance teachers.

Children enjoyed their Physical Education & Games classes thoroughly. They learnt the art of exercising, balancing techniques, motor skills, concentration, and other skills for different types of games.

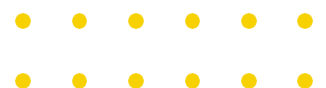

Our morning assemblies are also theme-based. Every class gets a chance to put up as many students so that they can exhibit their talents on this platform. It is the teachers' responsibility to see that every student gets a chance to perform. Some of the themes picked up for the second semester were – “Bringing a Smile on the Face of the Underprivileged”, “Peaceful Living”, “Digital Industries”, “Ecosystem”, “Food Industry”, “Health Industry”, “Waste Segregation”, “Biodegradable products”.

Special Assemblies are conducted in order to celebrate festivals, special events, and important days in the school calendar. It is a celebration time for all at school as we get together to celebrate these events.

In the last week of October, we celebrated Valmiki Jayanthi and Halloween's Day. In the month of November, Diwali was celebrated with great pomp and splendor. The whole campus was decorated with steamers and 'Diya's' that added to the festive look.

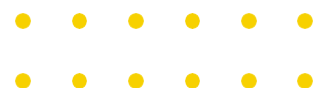

Children’s Day was also celebrated in November. This is a day our children wait for as it is their teachers who put up a show for the students.

Just before closing for the Winter Break, Christmas was celebrated in school by all our children. Children came dressed in white with a bright red Santa Hat and a smile on their face to celebrate the occasion this year. Christmas is a season of peace, love, and joy! The school choir sang beautiful Christmas carols. A pantomime depicting the nativity scene, the Angels Dance, and finally the rollicking Santas rent the air with laughter through their dance. The whole school joined together to wish each other the compliments of this wonderful season.

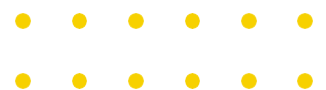

In January, we celebrated Makar Sankranti which symbolizes the harvest season. Speeches, dances, and songs were presented by our students. A major event in January was the celebration of Republic Day on the 26th of January. It was celebrated with great fervor and splendor through speeches, dances, skits, and song

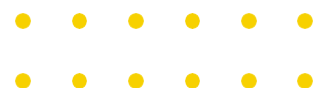

Star of the Week - Every week one child is selected as “Star of the Week” who is acknowledged for his/her achievements. The child gets a chance to speak to the class on any topic and interact with teachers, the child is made to feel important and special. All children look forward to this special week since they are appreciated for what he/she has done.

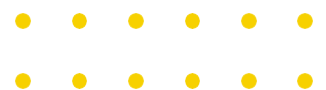

Every month we have one subject highlighted where students work on two activities and one competition. The month of November being the month of “Kannada Rajyotsava” was allotted to the Kannada department. Children of grades I-V took part in singing Kannada songs, reciting motivational poems, word building, handwriting competitions, collage making competitions depicting the culture, art, heritage, and historical places of Karnataka.

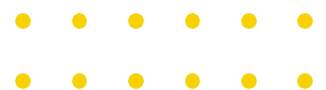

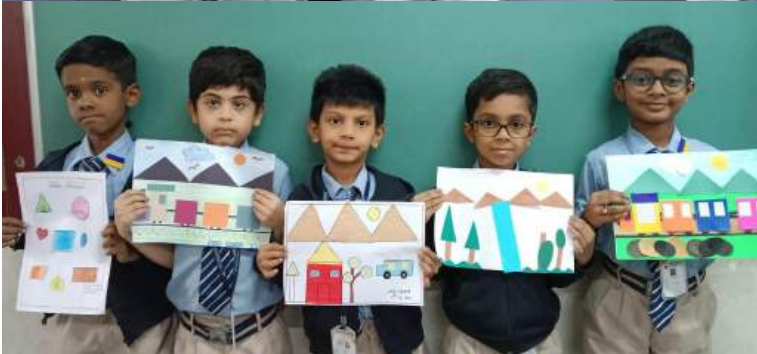

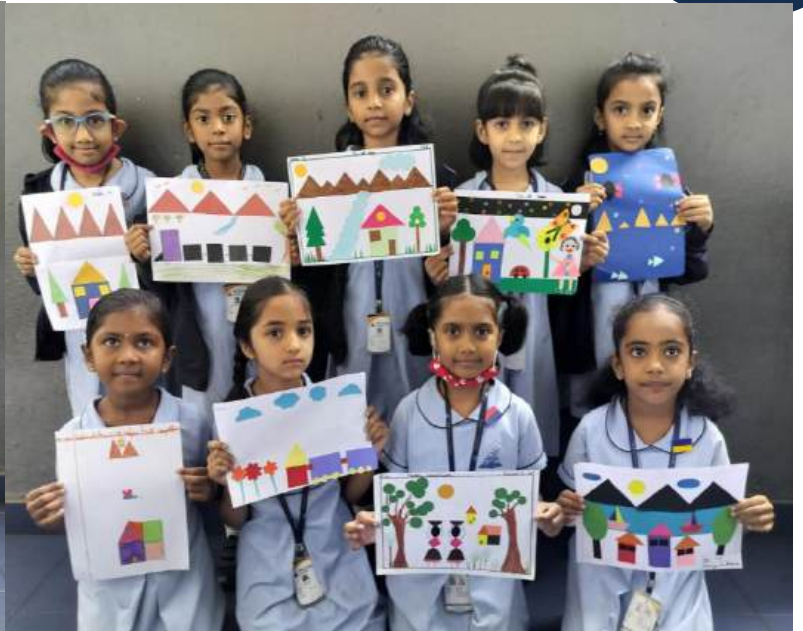

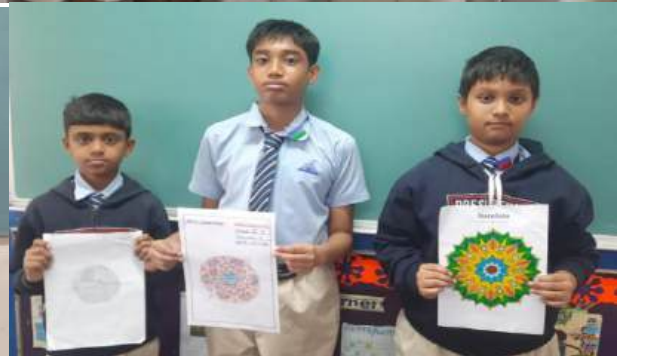

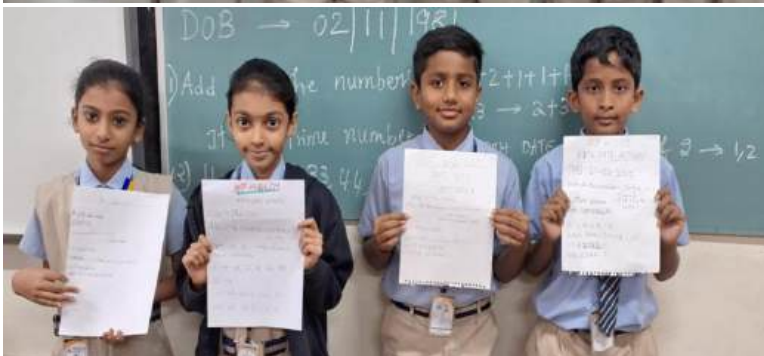

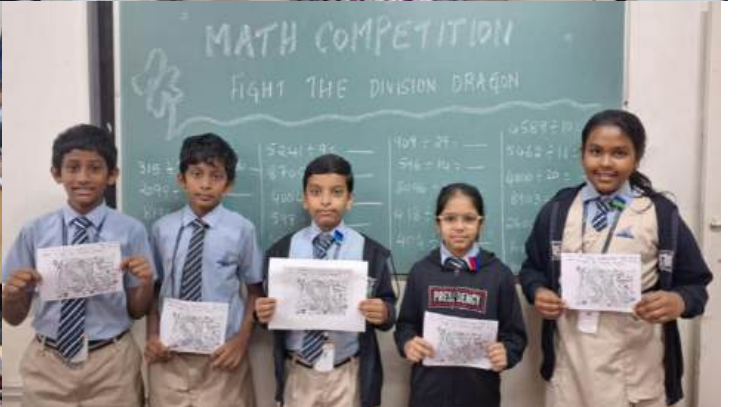

The month of December went to the Music department. The students of grade I-V had a group singing competition. The competition was open to all students. Every class had 5-6 groups taking part. It was a tough competition with each group vying for the top winning spot. The participation from all grades were very high with almost the entire class participating.

The month of January belonged to the Math department. Students took part in various activities and competitions. Activities like “Pretty Smart Mort” where students were able to enhance their understanding in the concept of equivalent fractions in the form of pizzas, cakes, and cookies. Sudoku was another activity which allowed the students improve their logical skills, concentration, and reasoning power. Students of grade IV took part in the “Dragon Race” competition while the students of grade V worked on an activity, “Around the World” which was to evaluate the relevance, creativity, and presenting the calculation of the perimeter. “Ducks in a Row” was another activity in which they calculated the product of decimals. A competition called “Mandala Mania” was conducted where they presented various patterns to recall geometrical shapes.

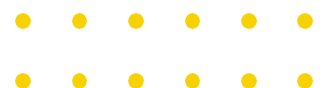

Library Week – At our school students are provided with the right reading environment to create an effective reading culture. Our young learners are on the right track in becoming avid readers. The Library Week was a remarkable success which unraveled a plethora of activities and excitement, with activities like Role Plays, dressing up as characters from various books. The diversity of characters came to life through colorful costumes and praiseworthy speeches. Artistic cover pages, bookmarks, story writing, dialogue delivery were all part of the Library Week celebration. During their regular library classes, students enjoyed reading stories of different genres from the library and at times reciting a story to their friends.

Subject Enrichment and Art Integration – Under the Subject Enrichment and Art Integration students went beyond the classroom to do research and find out more facts on the topics learnt in class. The Art Integration project involved incorporating Art with Math and Social Science using Art as a tool for understanding and exploring concepts in these subjects. Different topics were assigned to each level. The students produced good projects bringing up their learning in a useful manner. To mention a few topics – Project related to the State of Karnataka, Occupation of People in India, Crops grown in India focusing on the Northern Fertile Plain, Calamity and Hope where students conducted research on Natural Disasters, causes and precautions to be taken.

Winter Wonderland – The zest and zeal exhibited by an enthusiastic crowd of visitors made our kids carnival a memorable one. The carnival was a great hit creating some magical and memorable moments. Numerous stalls were setup, an art and craft corner, a stall for face painting and tattoos, and many other fun activities and enjoyable games were setup for the students of grade I and II. The visitors, teachers and our kids enjoyed the show thoroughly, the emotions displayed on their faces was ample proof that the winter carnival was a grand success.

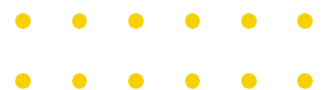

Toytonics – The students of grade I and II embarked on a magical journey where dreams came to life with the enchanting theme “Toytonics”. Our tiny tots kept the audience spellbound with their dance, drama and musical performance.

Club Culmination – From sweet cake pops to fierce karate kicks, our CCA Club Culmination for the year 2023-2024 was a grand showcase of talents. Music, dance, art, craft, spell bee, stitching, calligraphy, yoga, and many more. Our students stole the spotlight with applause worthy performances. Cheers to a successful year of learning.

After a hectic session and just before the final exam a little fun, frolic, and enjoyment is necessary for everyone. Keeping this in mind, the school organized a picnic for all our young learners to the “Dreamland Resort”. Watching them at their special day out, we could see how much they needed this break to enjoy with their friends and teachers. They sang, they danced, they went on rides, had fun in the water, enjoyed the magic show, and played to their hearts content with their friends. It was a memorable day to cherish in their lives. Well now our students are down to serious study. Our children are doing their final exams, and we are sure they will come out with flying colors. We have come to the end of another session and look forward to the summer vacation. We wish you a restful vacation and hope to see you back in the next academic session.
