2C- Lubaina, Vaidharbhi ,Vainavi ,Hafiza Anabia

2D- Aishani Gowda, Aasritha Kosuri ,Afaaf Irfan Riaz ,Fathima Zoha

This is a story about “The Frog Prince” is a classic fairy tale told by Brothers Grimm about a princess, who befriends a frog that's actually a prince under a witch's spell.

The Frog in this story is a prince turned into a frog by an evil witch. The Princess golden ball falls into the pond where the frog comes out for help and asks the princess companionship with a motive to break the spell. She thinks about the offer and accepts. The frog eats in her plate, sleeps on her bed and gives him a kiss and waits the frog to hop away. To her surprise, the frog doesn't leave, rather he transforms into a handsome young prince.

The story of 'The Frog Prince' helps children understand that everyone must be treated with love, no matter how they look. One's physical appearance can be misleading.

Grade 2 students enjoyed the story and made beautiful cut outs of Frog.

LAR – As a part of an extended activity for the Prose “ No one can see Me” ,Grade 2 students participated in an engaging activity, creating their own camouflage books . The activity aimed to teach students about the concept of camouflage and its significance in nature. Students learned about, different types of camouflage in insects and animals and animal adaptations for survival. Students developed their artistic skills, using various materials and techniques.

Prose: If I Could be a Fairy Now – Children dressed as Fairies and expressed their feelings if they could be a fairy for a day : Children shared they use their magic wand to make flowers bloom everywhere and make all the animals in the world happy and healthy. They use their fairy powers to make all the sad people smile and laugh. They would fly over the ocean and make the waves sparkle like diamonds.

Math

Math: Modelling subtraction with and without regrouping involves the use of manipulatives such as pencils, ice-cream sticks, beans, buttons, straws, masks, chocolates and our own fingers. Students manipulated actual objects to demonstrate the concept of subtraction. They also learnt about the terms associated with subtraction.

The Grade 2 students participated in an engaging activity, designing their own number charts. The activity aimed to consolidate students' understanding of key number concepts. - Students learned about: Ordinal numbers, Odd and even numbers and Skip counting.

EVS: Games We Play: Games whether indoors or outdoors sensitize us. Children inferred that games are an active way to keep healthy. Children researched on the traditional games played in India and drew pictures of the same. To make the activity exciting students were asked about their favourite sports personalities and they shared information about them.

Religious festivals: India is known to be a beautiful country with various religions and cultures. India celebrates various types of festivals throughout the year. These festivals fall at regular intervals on the calendar, breaking the monotony of life. From these busy lives, they give us some time to live and enjoy the moments of our life. Celebrating festivals brings us joy and happiness. As a part of the extended activity students stuck pictures of religious festivals, name of the state where it is celebrated and one famous dish prepared on that day. Students also shared how they will celebrate their favourite festivals,

ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಶರೀರದ ಭಾಗಗಳ ಹೆಸರನ್ನು ಕನ್ನಡದಲ್ಲಿ ಅಭ್ಯಾಸವನ್ನು ನೀಡಿ ನಂತರ ವಿದ್ಯಾರ್ಥಿಗಳೇ ತಮ್ಮ ಶರೀರದ ಅಂಗಗಳನ್ನು ತೋರಿಸುವುದರ ಮೂಲಕ ವಿಷಯವನ್ನು ಮನದಟ್ಟು ಮಾಡಲಾಗಿದೆ.

Hindi

हमने बच्चों को अमात्रिक शब्द, आ की मात्रा, इ और ई की मात्रा कराई जिसे लिखने और पढ़ने में बच्चे सक्षम हैं।

Trees hold immense significance for our existence. They provide us with the essential oxygen necessary for survival on this planet. As a part of the extended activity, children drew the picture of a tree and coloured. They also wrote the names of four different trees they knew.

Music and Movement

Art and Craft

Children learnt vocal warm ups - breathing and solfege with hand signs, learnt melody of songs and sang in rhythm and pitch.

The songs learnt are

- 1) Do Re Mi Fa Scale song.
- 2) If I were a butterfly.
- 3) Baby Beluga in the deep blue sea.
- 4) It's a World Of Laughter.

Recap of School Prayer, School Anthem & National Anthem was done.

Art is all about encouraging kids to see themselves in unique new ways. -portraits allow kids to imagine. Mixing and contrasting colors are key concepts for young art students to learn. These cute looking butterflies with lot of colours and mixing colours. Students drew a Garden with lots of butterfly, which gave them the joy to innovate the ideas and discuss about their memory .

Being physically active and fit holds utmost importance especially among today's generation. At Presidency, sports and physical fitness is given as much importance as academics. We have basic beginner, discipline, Zig Zag Race, Animal Walk and Balancing Games as a part of initiation in the PE session.

PE

Rhyming Train Activity

Rhyming Train Activity : 5-7-2024

To showcase the creative writing skill of our students, Rhyming Train activity was conducted. Students were given a worksheet where they were supposed to write five rhyming words for the given words in the train compartment picture. Students enjoyed writing rhyming words and coloured the train as well.

The rhyming train activity was engaging and interactive, and grade 2 students showed enthusiasm and understanding. This activity reinforced their phonological awareness and language skills, preparing them for more advanced reading and writing skills.

Field Trip: The students of Grade 2 visited Charlie's Animal Rescue Centre on 3rd July 2024. The centre provided a hands-on learning experience, teaching students about animal care and welfare. It is a home to abandoned pets, rescued animals and the ones injured on the streets. There were many old animals as well. It was astounding to see the quality of care the animals are being given. They have a family-like environment for them. This helps them to heal faster and stay happy. The animal home has all the facilities ranging from well- equipped medical room to a veterinary surgeon. Regular check-ups of those unwell by a team of veterinary specialists are carried out. - Students learned about: Different types of pets and their needs. Grooming and hygiene. Veterinary care and health checks

Starburst Showcase: Presidency School R T Nagar always strives to nurture the inherent potential that each and every student has. A talent show provides students an opportunity to show case their talent in any field. It not only helps the participants to show their abilities but also motivates other students; to come up front and show their secret potential, a Starburst Showcase Talent show was conducted on 12th July 2024. There were many events like Fashion Show- with jewellery made with vegetables/fruits/dry fruits/flowers,

Live painting, Voice over- Dubbing of cartoon characters, Mosaic Art and Solo instrument. Students impressed the audience with their powerful performances and confident stage presence. All the participants took the audience into their spell through their truly creative and enchanting acts.

The Starburst Showcase Talent Show was a resounding success, providing a platform for Grades 1 and 2 students to shine and develop their performance skills. The students enthusiastically participated in the talent show and exhibited superb flair and abilities to excel in whatever they did.

Parent Connect

Doctor's Day - Parent connect programme: At Presidency School, R.T Nagar, the parent- teacher relationship is admired & respected. Parent – Connect Programme helps to strengthen the bond; develop two-way communication & benefit both. Parents and Educators have a large stake in child's success and the linkages promote to facilitate it. Parent's involvement benefits students, in raising their Holistic development. Resourceful parents are invited to take workshop for children on various topics.

Hence to ensure a Symbiotic bonding & healthy transparent relation and to help our institute to grow and facilitate the safe, enriching environment - Parent connect programme was held on 28.6.2024. The Parent who enrolled in this programme was the parent of Syed Rehan from 2A. His Mother Dr. Javeriya Anwar who is a dentist conducted a session on the topic oral hygiene which is one of the important topic for students of Grade 1 and 2. With the help of charts and models she explained to the students as to how necessary it is to take care of our teeth at an early stage. Her session was highly informative and great learning experience for the students. Providing education on oral health in schools helps children to develop personal skills, provides knowledge about oral health and promotes positive attitudes and healthy behaviours.

Handwriting Competition: 29-7-2024

To showcase the creative writing skill of students a competition on “Handwriting” was conducted for the Students of Grade 2. The focus of the activity was to motivate and develop writing skill in students. The Class Teacher gave a brief introduction on the competition. The Children participated earnestly and were encouraged to present their best handwriting.

It provides students with an opportunity to display their competency of legible writing. Majority of students had put in their best foot forward to enhance their writing skills.
