1B- Jishnu, Ayham, Nasir, Lohan, Akshara

1C- Danish, Fathima Imarah Khan, Hadiya, Harmain, Inaaya

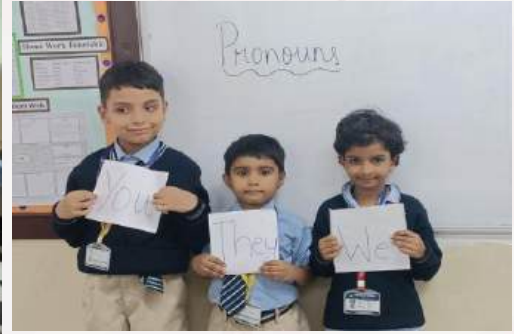

1D- Hiba Fathima, Inaya Mariyam, Mahitha C, Mishika T

1E- Shoaib Ur Rehman, Md Ruhan, Poonguzhali, Joshana

Book Buzz

The story/book for this month was 'Jack and the Beanstalk' This is a classical English Fairy Tale that has captivated readers of all ages with its timeless story of adventure, bravery and personal growth. The story follows Jack, a poor and naive young boy who trades his cow for a handful of magic beans. These beans leads him to a giant's castle in the sky, where he uses his wit and courage to outsmart the giant and find his fortune. Students of grade 1 enjoyed the library sessions as they celebrated Independence day by decorating their library with some amazing crafts.

Pronouns - The topic of pronouns was introduced in grade 1 through a fun activity, where the students had to move towards the correct Pronoun Pla Card (he, she and It) when the teacher calls out a noun. Like Rohan - he, Aalia - she, pencil - it etc., They enjoyed as well as learnt that pronouns are used instead of a noun.

Kung Fu Punctuation actions - Children learnt different Kung Fu moves for each punctuation mark. This was so much fun as they enjoyed and learnt the names of various punctuation marks like full stop, Capital letters, Question Mark, comma etc.

Language Arts

Mathematics

Subtraction is a fundamental math concept that builds upon addition skills. In grade 1, students begin to learn subtraction as a way to find the difference between two numbers. They demonstrated a strong understanding of subtraction using concrete objects, such as straws, pastas, beads, gems etc. They showed a good grasp of using number lines to subtract single-digit numbers. They understood the concept of moving backwards on the number line to find the answer. They also enjoyed the story sums that were created on spot by the children themselves for better understanding of using subtraction in their daily life.

Food We Eat- Children made some amazing and delicious food charts where they had to stick pictures of some special food along with the ingredients. This activity was an extended learning from the lesson ‘Food We Eat.’

Water In Our Lives - To create awareness among students about the importance of water conservation the students of grade 1 made posters on the topic - ‘Save Water’. Students created posters using various materials, illustrating their ideas and slogans. The finished posters were displayed in the classroom, and students explained their work to their peers. Students created eye-catching posters with effective slogans, such as "Save Water, Save Life", "Turn Off the Tap, Save the Planet", “There is no Planet B” etc., Children also learnt the different sources, uses and properties of water through various activities in class.

Houses Around Us - Students showed enthusiasm and curiosity about the different types of houses when they were introduced to a new topic in EVS - ‘ My House’. They demonstrated their understanding of basic house features and shapes when they made a booklet on ‘Houses Around Us’.The activity encouraged fine motor skills, creativity, and self-expression.

Kannada

Children learnt all the letters in the Varnamale..
The students were able to identify and arrange the letters in a sequence.

Children were introduced to Swar letters ओ, औ, अं and अः. The students were able to recognize the first sounds of these letters. Now they are also able to read and write Swar (अ- अः) independently.

Hindi

Music and Movement

Students learnt vocal warm up exercises - breathing & long & short notes solfeges. They also learnt about loud & soft dynamics used in singing. The rhythm, pitch & Melody of Patriotic songs from My Melody Book -We Shall Over Come, Badathe Kadam, Love my country India were apart of their learning during this month. Recap of School prayer, School Anthem & National Anthem was done.They were happy to sing with pride the patriotic songs for their country's Independence.

Art and Craft

Children were introduced to vegetable printing to explore and learn about textures and patterns using vegetables Students were able to develop fine motor skills through cutting and printing. Students were fascinated by the texture and pattern created by the ladies' fingers. This activity helped develop their fine motor skills and hand-eye coordination. The vegetable print using ladies' fingers was a fun and an engaging activity.

The students were introduced to relay race during their PE class. The class was divided in equal groups to conduct the relay race. This improves speed, body balance and co-ordination.

PE

SST Month Activity

Students were able to create heartfelt greeting cards for soldiers, promoting patriotism, empathy, and fine motor skills which was a part of the SST Month Activity that was conducted on the 2nd of August 2024. Greeting card making for soldiers was a meaningful activity for grade 1 students. Teaching them about the importance of gratitude and appreciation for those who serve our country. Students learned about the importance of thanking soldiers for their service. They enjoyed creating heartfelt cards, and their efforts brought smiles to the faces of the deserving. They designed and created personalized greeting cards for soldiers. They wrote messages, such as "Thank you for protecting us!" , "We appreciate you!" The cards were collected and sent to a local military base. Students learned to appreciate soldiers' sacrifices and understand the importance of thanking them.. They developed a sense of national pride and respect for those who serve.

SST Month Activities

Tricolour Craft Making Competition - The Students of grade 1 celebrated the spirit of our Nation with enthusiasm on the eve of 78th Independence day. Students made attractive craft items using the tricolour. The activity was symbolic of the soaring spirit of our great country as the event saw enthusiastic participation by our little artists expressing their creative skills. The children learnt how to showcase their ideas through art. They found it delightful and motivating to see their vision take form on paper. The Tricolour Craft Competition was a huge success, with all participants showcasing their creativity and patriotism. The event encouraged teamwork, fine motor skills, and artistic expression.

Special
Assembly

Independence Day Special Assembly :

The students of grades 1-5 participated actively in the special Assembly on the occasion of Independence day. They entranced the audience with melodies, dance performances and speeches to bring forth their thoughts on freedom and Independence and giving vent to the patriotic fervour.
