Every week, a learner is selected to be the Star of the Week. Each day of the week consisted of an exciting event or activity to honour him or her. This was a memorable week for all of them as they were celebrated and honoured.

## Book Buzz

### 'Ammachi's Amazing Machines'

Author: Rajiv Eipe

Sooraj and his grandma LOVE inventing! Ones Sooraj was feeling hungry and felt like having coconut barfi. They then started inventing simple machines to make coconut barfi. Reading this story helped children build their vocabulary skills.

Ammachi's Amazing Machines

A digraph is, when two letters make a single sound. Consonant digraphs are made of 2 consonants which come together to make one sound. Consonant Digraphs – “ch” and “sh” were introduced to the students.

Cursive handwriting naturally develops sensory skills. Through repetition the children begin to understand how much force needs to be applied to the pencil and paper, the positioning of the pencil to paper at the correct angle.

Our little tots learnt to write cursive letters m, n, u, w, v, y, l, e, h.

“Tricky words”

Early Literacy Activity

## Early Numeracy

Number names

Comparing numbers is an essential skill for children as they progress in their understanding and use of language. Practising comparing and contrasting can help them to improve their vocabulary, describing skills, sentence structure, and more. Students learned to compare numbers using greater than, lesser than and equal to symbols.

Shape- Cone

Leaf Printing

## EVS

Sowing a seed

Community Helpers are important, because they make our lives better, keep us and our community safe and help our community function better. Students were introduced to the various community helpers – Cobbler, Painter, Postman, Builder, Tailor, along with the tools used by each of them. Nature is the best teacher a student can have. Students learnt about the various aspects of nature during a Nature Walk. Concepts such as – Parts of a plant, Leafy vegetables, Root vegetables and flowers were introduced to the students

## Art and Craft

Art and craft activity engages children's sense of touch, sight, and sound, and helps develop their fine motor skills and hand-eye coordination. As a part of class activities, children enjoyed rolling strips of papers to make a beautiful flower, using ice cream sticks. They made Indian flags and also beautiful friendship day cards for their friends.

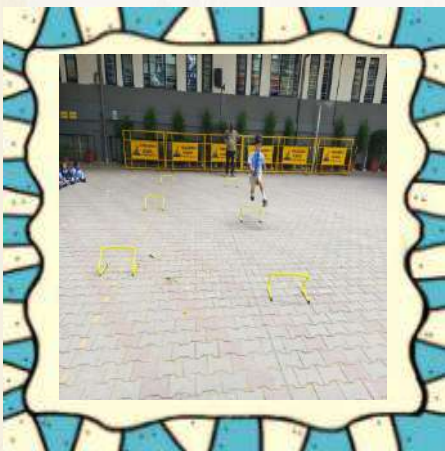

Friendship Day Card

Flag making

## PE

Sports play a great role in improving and maintaining the health and fitness, improving mental skills and concentration level as well as social and communication skills. Sports also teach children about how important it is to work hard, even if this doesn't always mean winning. Ample activities that are woven into the school curriculum lay foundation to the sports. Practice for Hurdle race during PE sessions have enhanced the participation and confidence of the students to develop kinesthetic abilities.

## Music and Movement

Music and movement provide children with so many benefits. They help children develop skills such as cognitive growth, problem-solving, self-expression and social development. A child's learning is incomplete without music and movement in early childhood education.

## Montessori

Beginning at an early age, Montessori nurtures order, concentration, and Independence. Intentional classroom design, materials, and daily routines support the student's ability to educate one's self, and to think about what one is learning. Children understood the comparison of sizes using pink tower, by using number rods students can visually discrimination of difference in dimensions (length).

Kannada

Learning a new language pushes a brain to get familiar with new grammar and vocabulary rules. It allows us to train memory to remember new words, make connections between them, and use them in contextual situations. Our little tots were introduced to the new language Kannada, who learned to introduce themselves in Kannada, Our little tots learned did a recap of letters "a", "aa", "e", "ee", "u", "uu", "rhu". Introduction of letters eh, eeh, aai with words were done using different pictures corresponding to each letter.

## Dress Up Day– Community Helpers

### **Dress Up Day – Community Helpers    Date – 07-08-2014**

Understanding the significance of the role played by Community Helpers in our society is a vital concept for kids. The purpose of Community Helpers' Day is to help children learn about the people in their community who work to keep them safe, healthy and educated. It aims to broaden their horizons and help them learn about the world beyond home- their community. Students were able to understand the different types of community helpers and the tools they need to do their job properly, as well as explain how the jobs benefit the community. Children from all three levels (prek,k1,k2) dressed up as their favorite community helper. It was an endeavour to sensitize them about the social bonding and the role of community helpers in our lives. The event was a fun-filled one and was enjoyed by the students and teachers alike.

## Independence Day Celebrations

### Independence Day      Date – 13-08-2024

The main objective of celebrating Independence Day is to commemorate India's Independence from the British rule and to honor the sacrifices of the freedom fighters. It aims to instill a sense of patriotism, national pride, and a sense of responsibility among students. The students of Pre-K tots presented a melodious song - 'We are Indians Bold and Free' with enthusiasm and pride. The program was followed by a mind blowing and foot tapping dance performance by the students of K1 to the tune of 'Jai Ho'.....To salute our great national leaders a group of students of K2 were dressed as prominent national leaders like Mahatma Gandhi, Jawaharlal Nehru, Rani Lakshmi Bai.....and they spoke about their personality. The Kindergarten assembly was filled with joy and fervor.

## Orange Day

### Orange Day      Date – 13-08-2024

The objective of Orange Day was to enable the young ones to identify the color orange and identify the objects they see around them. The tiny tots of KG came dressed in orange color and brought orange color objects like box, bottle, flag, flowers etc., They displayed and shared their views on them. Tiny tots were enthralled to share their orange snacks with their peers. Orange day activity helped children to identify, sort and classify objects based on colors there by reinforcing cognitive skills.

## Krishna Janmashtami

**Date – 26-08-2024**

Krishna Janmashtami is a festival that celebrates the birth of Lord Krishna. Kindergarten was all set to celebrate the festival of the birth of Krishna with great zeal and fervor. The tiny tots were dressed in ethnic wear and many from Pre –K dressed as little Radhas and Krishnas. The assembly was started by the students of K2 briefing about the reason and importance of celebrating Krishna's birthday. The stage was soon taken over by the K1 students depicting a short sequence from Krishana Leela where in the affection of mother and son is highlighted in the form of a musical skit. It was a splendid and colorful depiction. This was followed by a mesmerising dance performance by K2 students where Krishna is surrounded by gopies. Then the most awaited part of the assembly was breaking of dahi - handi. Students were excited to witness this sequence and enjoyed every moment of it dancing along. The assembly was concluded with a message about the end of darkness and rooting out of the evil forces and victory of good over evil.

## Kindergarten Assemblies

K2 D - The objective of K2-D class assembly is to emphasis the appropriate uses of gadgets and technology. The students of K2 D presented the class assembly on the topic ‘World of Gadgets and Technology’. Students dressed up as different gadgets and talked the advantages and disadvantage of gadgets. Children were able to understand that gadgets can be both positive and negative depending on how you use. They also learned how to engage themselves with their family and friends, and how to involve themselves in other physical activities.

K1 A - It aims to broaden their horizons and help them learn about the world beyond home- their community. Students will be able to understand the different types of community helpers. The students of K1 A came up dressed as different community helpers on stage and spoke about the roles of community helpers and demonstrated an action accompanied with song about community helpers.

K1 B - Friendship plays a vital role in kid’s life. K1 B assembly was organized for all kindergarteners, the assembly started with the reading of calendar followed by the information about the importance of friendship in our life. Children spoke about the connection formed through the bond of friendship as a very special relation . The assembly was achieved in a fun way where both the students and teachers enjoyed teaching and learning with take away to build a lifelong good relationship.

Belles lettres-  
litfest 2024

Euro school north campus organised Belles Lettres – LitFest '24 where our tiny tots from kindergarten participated in Dream in Disguise: A Fancy Dress Fiesta and Tiny Tints: A Colouring Carnival. It was amazing to see the students whole heartedly and enthusiastically participate in the events. Prachi from K1, Noura Ismahane, Inara Fathima, Pranavi Sriyaa from K2 participated in 'Dream in Disguise: A Fancy Dress Fiesta, where Noura Ismahane won the 3<sup>rd</sup> place. Ruthvika S, Tharun V and Hindol Das participated in 'Tiny Tints: A Colouring Carnival' where Tharun V won the 1<sup>st</sup> place. Congratulations to all the participants!
