PE

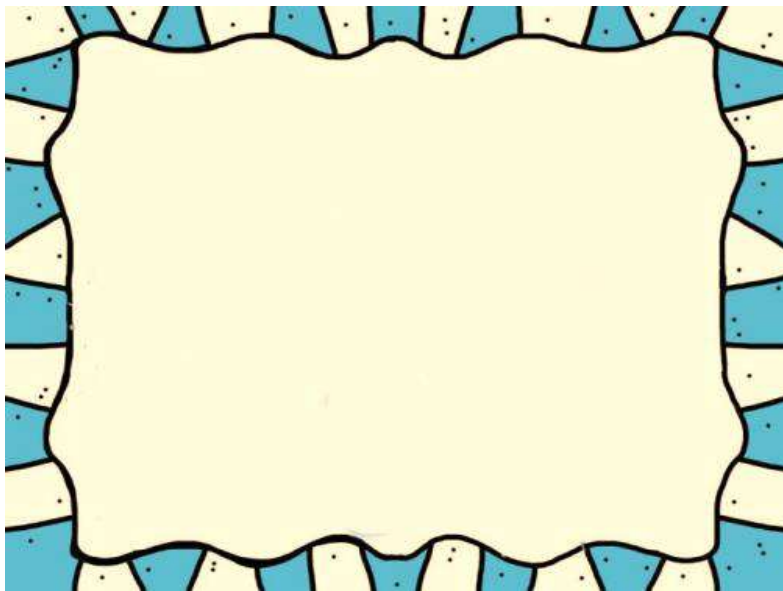

Sports help build positive self-esteem in children. In addition to this, participating in sports can be a helpful way of increasing feelings of physical and mental well-being, conflict and aggressive outbursts. Students were introduced to obstacle race, Indeed PE sessions take the right steps towards holistic growth.

Music and Movement

Music and movement provide children with so many benefits. They help children develop skills such as cognitive growth, problem-solving, self-expression and social development. A child's learning is incomplete without music and movement in early childhood education.

Montessori

Beginning at an early age, Montessori nurtures order, concentration, and independence. Intentional classroom design, materials, and daily routines support the student's ability to educate one's self, and to think about what one is learning. Children understand concepts related to brushing teeth and opening and closing lids.

Dress up
day

Understanding the significance of the role played by Community Helpers in our society is a vital concept for kids. The purpose of Community Helpers' Day is to help children learn about the people in their community who work to keep them safe, healthy and educated. It aims to broaden their horizons and help them learn about the world beyond home- their community. Students were able to understand the different types of community helpers and the tools they need to do their job properly, as well as explain how the jobs benefit the community.

INDEPENDENCE DAY CELEBRATIONS

The Independence Day Celebrations of the Kindergarten Team of PSRTN. The students of K2 explained about the significance of celebrating Independence Day. They also displayed a banner about National Symbols and briefed the audience about it. The students of Pre-K tots presented a melodious song - 'We are Indians Bold and Free' with enthusiasm and pride. The programme was followed by a mind blowing and foot tapping dance performance by the students of K1 .to the tune of 'Jai Ho'

To salute our great national leaders a group of students of K2 were dressed as prominent national leaders like Mahatma Gandhi, Jawaharlal Nehru, Rani Lakshmi Bai..... and they spoke about their personality. The Kindergarten assembly was filled with joy and fervour.

ASSEMBLIES (K1A)

It aims to broaden their horizons and help them learn about the world beyond home- their community. Students will be able to understand the different types of community helpers. The students of K1 A came up dressed as different community helpers on stage and spoke about the roles of community helpers and demonstrated an action accompanied with song about community helpers.

K1B

Friendship plays a vital role in a kid's life. K1 B assembly was organized for all kindergarteners. The assembly started with the reading of calendar followed by the information about the importance of friendship in our life. Children spoke about the connection formed through the bond of friendship as a very special relation. The assembly was achieved in a fun way where both the students and teachers enjoyed teaching and learning with take away to build a lifelong good relationship.

K2 D ASSEMBLY

The objective of K2-D class assembly is to emphasize the appropriate uses of gadgets and technology. The students of K2 D presented the class assembly on the topic 'World of Gadgets and Technology'.
