Book Buzz-Tasha's stepmother sends her into the dark forest to ask the witch Baba Yaga for a needle and thread. Baba Yaga is known to eat children. Tasha's doll tells her to take food for Baba Yaga's cat and dog. When she arrives, the cat and dog help her escape by distracting Baba Yaga. Tasha uses a mirror and comb given to her by the cat to create obstacles for Baba Yaga's chase. She escapes and returns home, revealing her stepmother's plot, who is sent away by Tasha's father. They live happily ever after. Students of Grade 2 enjoyed the story and made cut out of characters for the books they borrowed to read.

LAR – Verbs (Doing Words/ Action words) is the most important part of a sentence. Verbs are very important for language development because they allow children to start making sentences early. Verb Activities are a fun way to learn about „Parts of Speech.“ We ensure that proper use of action words can do wonders in terms of enhancing children's vocabulary. „Guess the Verbs“ activity was organised for the learners. Children picked the slips and acted out the action words written therein and enjoyed making sentences with the given action words. The central idea was to make the students know the verbs and their uses.

Math

Math: Subtraction up to 1000, with or without regrouping, is a fundamental math concept that builds upon students' understanding of place value and numerical relationships. This operation involves finding the difference between two numbers, either by counting down or using base-ten blocks to represent hundreds, tens, and ones. Subtraction of 3-digit numbers with and without regrouping of large numbers in columns with multiple regroupings were practiced during the month of October, which emphasis on practicing the regrouping using subtraction and discussing the clues and terms of subtraction.

EVS

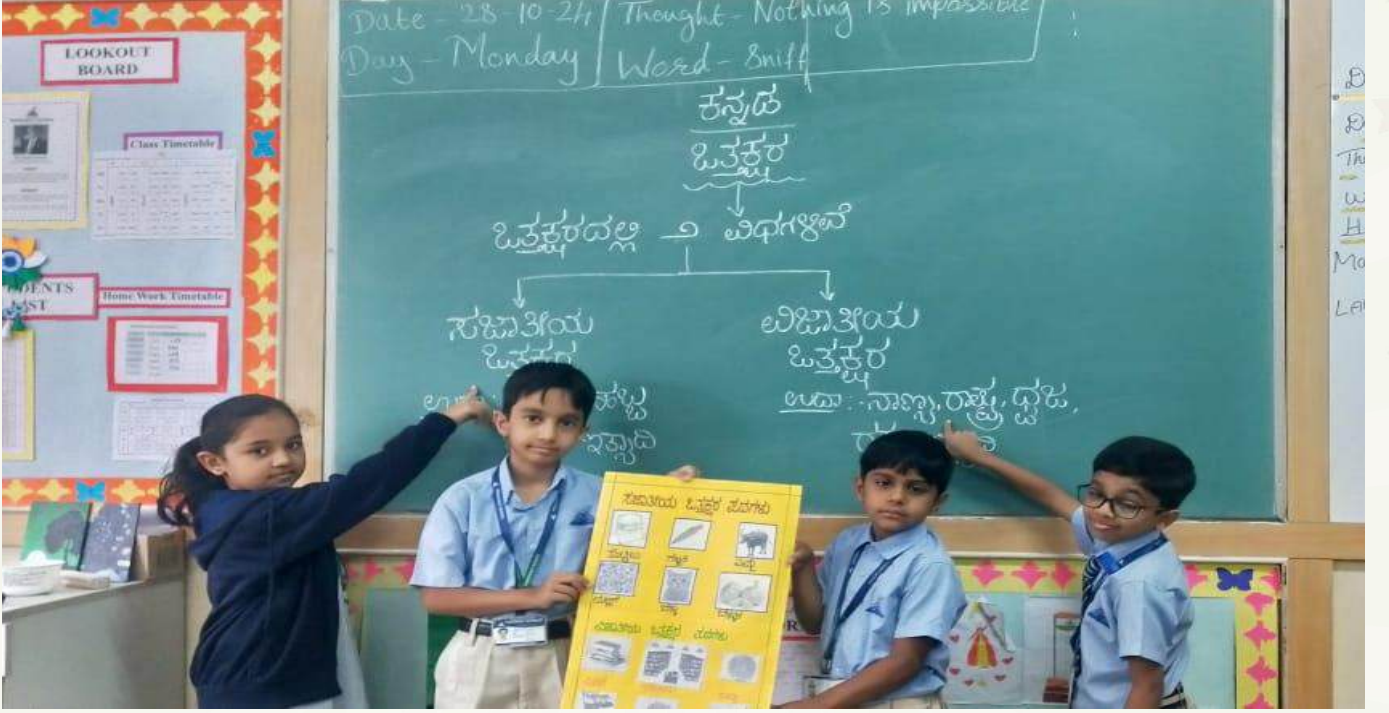

EVS: EVS - Health and Hygiene

Events / Activities

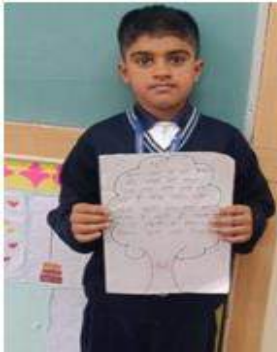

Hindi Activity : Shabdon ki Rangoli is a game that requires careful word puzzle to solve correctly. Children identify the word from the clue box and coloured them. In this activity, students arranged letters to form new words. They utilized critical thinking and problem-solving skills to recognize and sequence words correctly. This activity reinforced their vocabulary, alphabet understanding and comprehension of word relationships. Students enjoyed this engaging exercise, enhancing their Hindi language skills.

Hindi Competition : Hindi Poem Recitation Competition:

Conducted on -18-10-24

The participants recited the poem on the theme, "Nature" in Hindi with a maximum of 2 minutes time allotted per child. Children added all the right elements to bring in the theme. The judges were very much impressed to see the performance of the children. Certificates were awarded to the winners later. The competition not only enhanced the speaking and listening skills of the students but it also gave them an added sense of confidence which enabled them to understand the subject more deeply and think critically. The competition also helped children exhibit confidence.

VALMIKI JAYANTI Special assembly- Valmiki Jayanti, the birth anniversary of Maharshi Valmiki, author of the epic Ramayana, was celebrated with great fervor and enthusiasm at Presidency School RT Nagar on 15-10-2024. The special assembly aimed to honor Valmiki's contributions to Indian literature and culture. Grade 6,7 Students performed very well on this day. Students gave a very good message to the audience that, all those who walk the path of Dharma, never go wrong in their Karma. The Valmiki Jayanti celebration at Presidency School RT Nagar successfully instilled values of righteousness, compassion, and devotion among students, inspiring them to emulate Valmiki's ideals.

Grandparents Day-Grandparents Day was organized to strengthen relationships between grandparents, parents, and the school community. The main objective was to create a memorable experience for grandparents, students, and staff. The 19th of October 2024, was a heartwarming day as we celebrated Grandparents Day. Our respected Principal Rekha Vinod Ma'am inaugurated the event by lighting the lamp and gave a touching speech, by thanking everyone for their support in making this day special. She also added that every day is a blessing in disguise for us as well as the grandparents and we should live, value, and cherish each and every moment of our lives. The grandchildren performed a dance and a song to welcome their beloved grandparents. The day was filled with joy, laughter, and priceless moments as our students and their grandparents came together to create lasting memories and taking active participation in the events like - Ramp Walk, Down the Memory Lane, My journey as a grandparent and Then and Now. Ramp walk - Grandparents walked on the ramp with their grandchildren who dressed up in Indian traditional attire with a lot of zest and enthusiasm. Down the memory lane- The Grandparents presented a digital collage of the photographs from their childhood days to the latest ones. 'My journey as a grandparent'- Grandparents designed a scrap book with the memories of themselves with their grandchildren. Then and Now - This was a talk show by the grandparent and grandchild where they to spoke about their experiences when they were young and the scenarios with present generation. Crowns, badges, garlands and thank you cards were made by the teachers and given it to the grandparents as a token of appreciation. The grandparents were overwhelmed when they were presenting their events. They had tears of joy in their eyes as they were reliving every moment that was so precious to them.

We were especially moved by the heartfelt stories shared by parents, reflecting on the love, wisdom, and guidance that grandparents bring to our lives.
