Book Buzz

During the library session the students of Grade 4 enjoyed reading books from various Genres at the library like Amazing Pirate Stories, Champion High School Escapade, Amazing Stories For Girls, Barbir Star light adventure, Fascinating Good night stories, Geronimo Stilton books, Thea Stilton Books, Valley of the Giant Skeletons, Harry Potter and the Philosophers Stone, Prisoners of Aksaban, Harry Potter And The Half-Blood Prince , Chamber of secrets, Sundarkaand, Sudama, Joan of Arc, Charlie and the chocolate factory, The Princess Black And The Perfect Princess party, Wimpy Kids. Students enjoyed reading the books and made character sketches and cover pages for the books they had borrowed.

Classroom Scoop

LAR: Students of grade 4 did a role play based on chapter 9,10, of the novel. The students participated enthusiastically by dressing up as characters, preparing charts and presenting through PPT.

MATH: Grade 4 students learned about multiples and factors. Children did an activity to understand the LCM and HCF of a number using their birth date and determined if it is a prime or a composite number and then by listing five multiples and factors of their birth date

Beyond Classroom

Sports day practice

The annual sports day is an event that every student looks forward to very eagerly. The sports day at PSRTN is scheduled for 8th and 9th November. The practice sessions were held as per schedule. The students were enthusiastic to put up their best performance.

26-10-2024- Parents teachers meeting

A parent teacher meeting was conducted to review the child's progress through the term. Each child was reviewed, and support sessions were conducted for those who required extra help.

Special Assembly

15/10/2024-Valmiki Jayanti Celebrations:

Students performed exceptionally well on the topic of “Valmiki Jayanti.” They conveyed a powerful message to the audience: that those who follow the path of Dharma will never go wrong in their Karma. Their presentation highlighted the importance of righteousness and moral values in life.

Parent Support

Dear Parents,

Nurturing Holistic Development: A Partnership Between Home and School

As parents, you play a vital role in shaping your child's future. We believe that holistic development is essential for students to thrive academically, emotionally, socially, and physically.

Holistic development focuses on cultivating the whole child, encompassing:

- *Academic achievement*
- *Emotional intelligence*
- *Social skills*
- *Physical well-being*
- *Creative expression*
- *Character development*

1. *Encourage open communication: Listen to your child's thoughts, feelings, and concerns.*
2. *Foster a growth mindset: Praise effort, progress, and resilience.*
3. *Promote physical activity: Engage in sports, outdoor games, or yoga together.*
4. *Nurture creativity: Support art, music, or other hobbies.*
5. *Model emotional intelligence: Demonstrate self-awareness, empathy, and self-regulation.*

Together, let's nurture the whole child and empower them to thrive.

See You Next Time
