

Kinderzine

A kaleidoscope of childhood

Every week, a learner was selected to be one 'Star of the week' and was treated specially throughout the week. Each day of the week consisted of an exciting event or activity to honour him or her. This was a memorable week for all of them as they were celebrated and honoured. This was a great way for other classmates to know Surya, Samanvi, Milisha Ahmed, Masirah Fathima and Mohammed Daniya better and to boost their self-esteem.

Title: Bruno Learns to Share

“Bruno Learns to Share” is a delightful children's book that inculcates the quality of sharing in young readers. The story is about a little bear, Bruno, who initially struggles with the idea of sharing his toys with his friends. Later, he realizes the joy of sharing and playing together.

Book Review: This simple story with vibrant and engaging illustrations effectively conveys the challenges and rewards of sharing.

Bruno Learns to Share

Topic: Letter N

Recognizing letters and understanding letter sounds form the basis of reading and writing. Learning letter sounds help tiny tots to identify and manipulate sounds in words. Students were introduced to letter N and M with various activities, which helped them in identifying and writing letters N and M. They also were introduced to zigzag lines, enhancing their ability to form patterns and shapes.

Early
Literacy
Activity

Early Numeracy

Topic: Number 6

Recapitulation of basic shapes like circle, square, triangle and rectangle helped tiny tots to identify and differentiate shapes and also encouraged children to think critically, allowing them to express creatively in various art forms. Identifying and understanding numbers lays the ground for basic math skills. Number 6 was introduced with various activities, which was engaging and fun-filled at the same time. This helped them understand that each number corresponds to specific quantity.

EVS

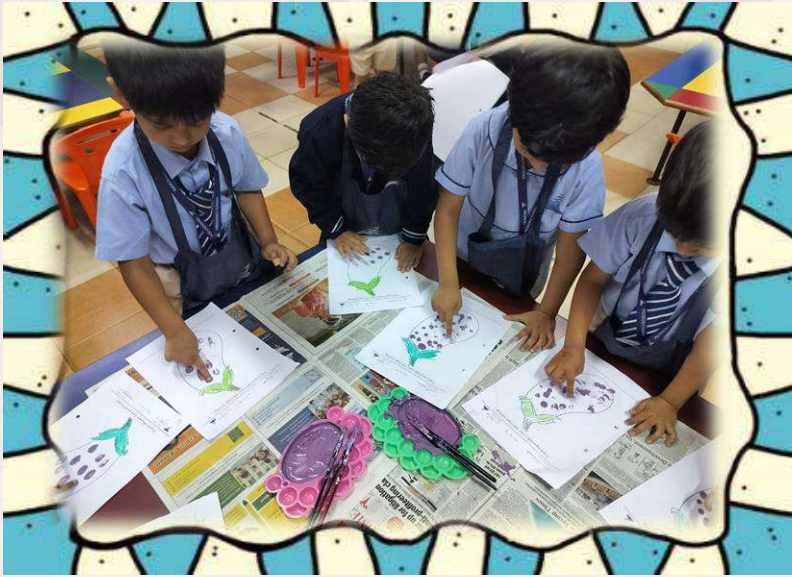

Topic: Earth and Environment

Understanding the environment helps children recognize the world around them, fostering a sense of curiosity and exploration. This encourages children to appreciate and care for nature. Students learned to identify living and non-living things. At the same time they developed a sense of responsibility towards plants, conserving nature and reduce and reusing things.

Art and Craft

Tiny tots are naturally drawn to bright colours, which can enhance their visual perception and stimulate their senses. Colours also influence them to express their emotions, also allowing them to explore their artistic abilities. Purple colour was introduced with a group activity of finger dabbing which also encouraged teamwork.

PE

A hurdle race for tiny tots is a fun and engaging way to develop motor skills and coordination. This activity promotes physical fitness and also helps develop social skills and confidence in young children.

Hurdle Race

Music and Movement

Music allows children to learn melodies and lyrics and enhance memory retention and cognitive function. It helps them understand emotions in themselves and others. Music also fosters social and emotional development, making it a vital part of holistic development.

Montessori

Montessori education promotes self-discipline, helping children to learn at their own pace. As part of Montessori education, students were taught how to turn a page in a book.

Colour of the Month - Purple

Purple Day Celebration

Colours have a significant impact on toddlers, as they are developing their cognitive and emotional skills. Kindergarten students wore purple colour dress and carried purple objects along with them. They were given the opportunity to speak and most of them spoke with confidence where else some were motivated to do so. Students came in all shades of purple like lilac, mauve, lavender, etc.

PTM

Open House

The main objective of the Open House was to create a common platform, where teacher and parents come together to discuss student's performance. The first semester Open House for Kindergarten was conducted on Saturday 26th. October 2024. The parents were welcomed warmly to the classroom by the teachers to give a brief insight about their ward. The Open house aimed to foster effective communication between parents and teachers, providing a platform to discuss students' academic progress, behaviour, and overall development.

Diwali

Diwali Celebration

Presidency School RT Nagar celebrated the eve of Deepawali with gusto and vigour on 28th October, 2024. A PowerPoint presentation brought forth the message of victory of light over darkness, good over evil and knowledge over ignorance. The corridors were decorated with lanterns and diyas which brought a smile on every face. The students came in ethnic wear and brought diyas to celebrate the festival of light in school and repeated the slogan “No to crackers”.
